Excellency:

The Delegation of the United States of America desires to propose the inclusion in the agenda for the Second Session of the Economic Commission for Latin America of an item on "coordination between the Economic Commission for Latin America and the Inter-American Economic and Social Council".

As Your Excellency is aware, representatives of the Inter-American Economic and Social Council have been invited to attend the present Session of the Economic Commission for Latin America and the Delegation of the United States of America believes that their presence here affords a desirable opportunity for an appraisal of the work performed during the past year by the two organizations with a view toward coordinating their respective future activities.

I am, my dear Dr. Machado,

Cordially yours,

(sgd)

Albert Nufer
President
Delegation of the United
States of America

His Excellency
Dr. Luis Machado y Ortega,
Chairman,
Economic Commission for Latin America,
Havana, Cuba.
