ECONOMIC COMMISSION FOR LATIN AMERICA
Eight Session
Panama City, Panama, 14 May 1959

DRAFT RESOLUTION ON PULP AND PAPER

Approved by Committee II on 20 May 1959

The Economic Commission for Latin America,

Considering the rapidly rising consumption of domestic and imported pulp and paper products in Latin America,

Considering the potential resources of raw materials which exist in Latin America,

Considering the need for regional coordination in the development of the pulp and paper industry in order to secure better use of natural resources and better coverage of various needs of the area,

Estimating that the need to study the possibilities of further development in the field of pulp and paper both on a national and regional basis is increasing in importance and that the necessity of giving adequate and rational advice to this development continues to be desirable,

Expressing satisfaction for the work done so far by the Joint FAO/ECLA/TAO Pulp and Paper Advisory Group.

Recommends to the Governments:

1. That they continue to utilize the services of the Group;
2. That the necessary measures be taken to secure the continuation of its beneficial activities in the region.
