POPULATION CENSUS OF ARGENTINA (10 May 1947)

Publication

IV Censo General de la Nación, 10 de Mayo de 1947 -  
Dirección Nacional del Servicio Estadístico.

Tomo I - Censo de Población, Buenos Aires, Talleres Gráficos de  
Guillermo Kraft Ltda., 727 pp.

This publication contains under "Antecedentes": Organization of the IV Census and notes on demographic characteristics. The first part shows a number of tables (14) about the whole country, and the second part includes the same set of tables for major territorial divisions.

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	sex, literacy, age groups
2. sex	urban-rural, age, origin
3. age	sex, origin, illiteracy
5. civil status (14 and over)	sex
6. nationality (origin)	sex, age
8. education	
8.1 illiteracy (14 and over)	urban-rural, sex, age groups
9. economic characteristics	
9.1 activity	sex
9.3 branch	sex, origin
10. religion	
14. impairment	sex
15. family	size by administrative areas

---

The age grouping used in the tables is the following:

Whole population: a. Individual years of age till 109; 110 and over.

Urban-rural: 10 year age groups till 60-69; 70 and over.

Illiteracy: 14-29; 30-49; 50 and over.

There was no information published about: place of birth, educational level, and actual school attendance; occupation and occupational status; fertility and marriage; naturalized foreigners.

POPULATION CENSUS OF BOLIVIA (9 May 1950)

Publication

Censo Demográfico 1950 - Dirección General de Estadística y Censos,  
La Paz, 1955, Editorial "Argole", 252 pp.

This publication contains a short introduction giving: a short demographic history of Bolivia, legal dispositions and personnel. No explanations or definitions of concepts used nor remarks about the exceptions are included.

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	(for adjusted population and census population) - (Administrative Divisions)
2. sex	all
3. age age groups	sex sex, civil status, nationality, place of birth, literacy, actual school attendance, activity, branch of activity
4. ethnic characteristics	
4.1 indigenous population	sex
4.2 language	sex
5. civil status	sex, age groups, persons born abroad, foreigners
6. nationality (categories)	sex, age groups
foreigners	sex, civil status
7. place of birth (categories)	sex, age groups
born abroad	sex, civil status, country
8. education	
8.1 literacy (5 and over)	sex, age groups

9.3 branch of activity (10 and over)	sex, age groups, occupational status (also no-indigenous and indigenous separately)
9.4 occupational status (10 and over)	sex, branch of activity, occupation
15. family	size ( 1, 2, 3, ..... 9, 10 and over) person
16. diverse (dwellings)	occupancy (owner, tenant, etc.), water supply

The age-grouping used in the tables is the following:

Whole population: a. Individual months of age till one year.  
b. Individual years of age till 99 and 100 and over.  
c. Under 1; 1-4; 5-9; 5 year age groups to 80-84;  
85 and over.

Civil status: Under 15; 15-19; etc. see whole population

Nationality: Under 5; 5-9; 5 year age groups to 60-64; 65 and over.

Place of birth: See whole population, c.

Education - literacy: 5-14; 15-19; etc. see whole population

Actual school attend.: 5-9; 10-14.

Activity: 10-14; 5 year age groups to 80-84; 85 and over.

Inactive Population: under 10; 10-14; 15-19; 20-24; 25-44; 45-64;  
65 and over.

Branch of activity: 10-14; 15-19; 20-24; 25-44; 45-64; 65 and over.

POPULATION CENSUS OF BRAZIL (1 July 1950)

Publication

VI Recenseamento Geral do Brasil - 1950.

One volume covering whole country, and one volume for each federal entity. Also a selection of most important data for whole country and federal parts.

IBGE - Conselho Nacional de Estatística - Serie Nacional, Vol. 1, Brasil, Censo Demográfico, 1956 - Rio de Janeiro - Servicio Gráfico IBGE, 334 pp.

(A specimen of the questionnaire is given at the back of each volume, and a short introduction in the beginning.)

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-suburban-rural	sex, age groups, literacy, fertility
2. sex	urban-suburban-rural, age groups, colour
3. age groups	urban-suburban-rural, sex, colour
4. ethnic characteristics	
4.1 colour	sex, age groups
4.2 language (5 and over)	sex, age groups, nationality
5. civil status (15 and over)	sex, age groups, colour
6. nationality	sex, age groups, place of birth
7. place of birth	sex, age groups, nationality
8. education	(categories separately)
8.1 literacy	urban-suburban-rural, sex, age groups, colour, nationality
8.2 educ.level (5 and over) completed courses (10 and over)	sex, age groups, nationality, colour, branch of activity
9. economic characteristics (10 and over)	
9.1 activity	sex, age groups, branch of activity, occupation, occupational status, colour, nationality
9.2 occupation (10 and over)	sex, branch of activity (primary, secondary)
9.3 branch of activity	sex, age groups, ethnic groups, nationality, main and secondary branch, occupation, occupational status
9.4 occupational status	sex, age groups, colour, nationality, occup.
9.5 population dependent on agriculture	sex, age groups, activity (relationship to head of household of economically inactive population)
10. religion	sex, age groups
11. fertility - females (15 and over)	age groups, civil status, urban-suburban-rural, colour
- males (20-79)	age groups, branch of activity, occ. status

The age grouping, used in the tables is the following:

- Whole population: a. Individual years of age till 99 and 100 and over.  
b. 0-4; 5 year age groups till 25-29; 30-29; 40-49;  
50-59; 60-69; 70-79; 80 and over.
- Urban-rural: See whole population, b.
- Ethnic characteristics:  
Colour : See whole population, b.  
Language: 5 and over; 5-9; etc. see whole population, b.
- Civil status: 15-19; etc. see whole population, b.
- Nationality: See whole population, b.
- Place of birth: See whole population, b.
- Education - literacy: 5-9 (also single years); 10-14 (also single years);  
15-19 (also single years); rest as whole population, b.
- Educational level: 5 and over; 5-9; etc. see whole population, b.
- Completed courses: 10-14; etc. see whole population, b.
- Economic charact.: 10-14; etc. see whole population, b.
- Religion: See whole population, b.
- Fertility, females: (15 and over) 5 year age groups to 45-49; 50-59;  
60-69; 70-79; 80 and over.
- males: 20-24; 5 year age groups to 45-49; 50-59; 60-69;  
70-79.

## POPULATION CENSUS OF CHILE ( April 24, 1952 )

### Publication

The following reports were published:

XII Censo General de la Población y I de la Vivienda, levantado el 24 de Abril de 1952. - Servicio Nacional de Estadística y Censos.

Tomo I: Resumen del País, Santiago, 1956, Imp. Periodística Gutenberg, 269 pp.

Tomo II: Norte Grande y Norte Chico (Tarapacá, Antofagasta, Atacama y Coquimbo), Santiago, 1957, Instituto Geográfico Militar, 389 pp.

Tomo III: Núcleo Central I (Aconcagua, Valparaíso, Santiago, O'Higgins y Colchagua), Santiago, ? , Talleres Gráficos de La Nación, 866 pp.

Tomo IV: Núcleo Central II (Curicó, Talca, Maule, Linares y Ñuble), Santiago, 1957, Imprenta Roma, 496 pp.

Tomo V: Concepción y la Frontera (Concepción, Arauco, Bio-Bio, Malleco y Cautín), Santiago, ? , Imprenta Periodística Gutenberg, 617 pp.

Tomo VI: Región de los Lagos, Región de los Canales (Valdivia, Osorno, Llanquihue, Chiloé, Aisén.y Magallanes), Santiago, 1957, Inst.Geográf.Militar, 468 p

(Six Volumes: Volume I Whole Country - Volumes I to VI Provinces.)

The "Resumen del País" contains a description of the country, a rather detailed census history and comparative tables. The part "Censos de 1952" consists of "Antecedentes del XII Censo de Población y I de Vivienda" as well as "national tables", all of the latter ones are with brief comments. A model of the questionnaire is included in the back, as well as a control sheet for enumeration and the "Tarjeta Infantil" used for checking on the registration of births. The second volume and the following contain each a description of the administrative regions included in the volume and a number of tables.

In the following table a summary is given, showing the classification of characteristics which will make it possible to form an impression about the information published.

### SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	sex, age, activity, literacy, actual school attendance
2. sex	all other characteristics
3. age age groups	urban-rural, sex sex, civil status, nationality, education, activity, branch of activity, religion, impairments
5. civil status (12 and over)	sex, age groups
6. nationalities (categories) foreigners	sex, age groups urban-rural, sex, age groups
7. place of birth born abroad (countries)	sex sex

<u>Characteristics:</u>	<u>Classified by:</u>
8. education ( 6 and over)	
8.1 literacy	urban-rural, sex, age groups
8.2 educational level	urban-rural, sex, age groups
8.3 actual school attendance	urban-rural, sex, age groups
9. economic activities	
9.1 activity <sup>a/</sup> categories (both active and inactive )	urban-rural, sex, age groups
9.2 occupation (12 and over)	sex, branch of activity, occ. status
9.3 branch of activity (12 and over)	sex, age-groups, occupation, occupational status
9.4 occupational status (12 and over)	sex, occupation, branch of activity
10. religion	sex, age groups
14. impairments	sex, age groups

<sup>a/</sup> Also published for some specific industries for active population.

The age grouping used in tables is the following:

Urban-rural: Single years till 99 and 100 and over.

Civil status: 12-14; 15-19; 5 year age groups to 70-74, 75 and over.

Nationality: 0- 4; 5 year age groups to 95-99, 100 and over.  
(whole population)

Education (6 and over): literacy and educational level: 6; 7-9; 10-14 and 5 year  
age-groups to 60-64; 65 and over.  
actual school attendance: 6; 7-9; 10-14; and 5 year  
age groups to 25-29; 30 and over.

Economic characteristics: (12 and over), activity and branch of activity:  
12; 13; 14; 15-19 and 5 year age groups to 70-74,  
75 and over.

Religion: see nationality

Impairment: " " " "

No information was published about family characteristics (size and structure) and military training.

POPULATION CENSUS OF COLOMBIA ( 9 May 1951 )

Publication

Censo de Población de Colombia 1951 - Departamento Administrativo Nacional de Estadística - Resumen, 1954, Bogotá D.E., Depto. Adm. Nac. de Estadística.

Further a publication for all departments has been or will be published, containing a set of tables similar to the ones in the "Resumen". The "Resumen" contains very short comments and a model of the questionnaire in the back.

SUMMARY OF INFORMATION PUBLISHED

( excluding comparative tables )

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	sex, age groups, civil status, dependants
2. sex	all
3. age groups	all, except family
under 1 year	urban-rural, sex
5. civil status	" " " , age groups, activity

POPULATION CENSUS OF DOMINICAN REPUBLIC (6 August 1950)

Publication

Two publications are available:

Tercer Censo General de Población, 1950 - 1953, Ciudad Trujillo,  
Sección de Publicaciones de la Dirección General de Estadística, 886 pp.

Resumen General, 1953, Ciudad Trujillo, Sección de Publicaciones de  
la Dirección General de Estadística, 73 pp.

Both publication contain an identical introduction, but in the second we find comments on results and more tables (the first contains some comparative tables; the remainder is generally the same as in the second, but less detailed).
