POPULATION CENSUS OF ARGENTINA (10 May 1947)

Publication

IV Censo General de la Nación, 10 de Mayo de 1947
Dirección Nacional del Servicio Estadístico

Tomo I - Censo de Población, Buenos Aires, Talleres Gráficos de Guillermo Kraft
Ltda., 727 pp. No date mentioned.

This publication contains under "Antecedentes": Organization of the IV
Census and notes on demographic characteristics. The first part shows a
number of tables (14) about the whole country, and the second part includes the
same set of tables for major territorial divisions.

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	sex, literacy, age groups
2. sex	urban-rural, age, origin
3. age, age groups	sex, origin sex, literacy, urban-rural
5. civil status (14 and over)	sex ^{1/}
6. nationality (origin)	sex, age
8. education	
8.1 literacy (14 and over)	urban-rural, sex, age groups
9. economic characteristics	
9.1 activity	sex
9.3 branch of activity	sex, origin
10. religion	total numbers only
14. impairments	sex
15. households ^{2/}	structure persons living in family, in composite households, alone; number of families; of composite households; mean size of family

^{1/} By sex and age: given in Demographic Yearbook 1955, table 12, pp. 396-399.

^{2/} For definition of "Family" see page LXXVII of the publication.

ARGENTINA

The age grouping used in the tables is the following:

Whole population: a. individual years of age to 109, 110 and over
b. five year age groups to 95-99, 100-109, 110 and over

Comparative tables: 10 year age groups to 70-79, 80 and over

Urban-rural: 10 year age groups to 60-69, 70 and over

Literacy: 14-29, 30-49, 50 and over

There was no information published about: place of birth, place of birth of parents, educational level and actual school attendance; occupation and occupational status, fertility and marriage, naturalized foreigners.

POPULATION CENSUS OF BOLIVIA (9 May 1950)

Publication

Censo Demográfico 1950 - Dirección General de Estadística y Censos
La Paz, 1955. Editorial "Argote", 252 pp.

This publication contains a short introduction giving: a short demographic history of Bolivia, legal dispositions and personnel. No explanations or definitions of concepts used neither remarks about the execution are included.

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	(for adjusted population and enumerated population)
2. sex	all except urban-rural
3. age	sex
age groups	sex, civil status, nationality, place of birth, literacy, actual school attendance, activity, branch of activity
4. ethnic characteristics	
4.1 indigenous population	sex
4.2 language	sex
5. civil status	sex, age groups, persons born abroad, foreigners
6. nationality (categories)	sex, age groups
6.1 foreigners	sex, age groups, civil status, country
6.2 naturalized	sex, age groups
7. place of birth (categories)	sex, age groups
born abroad	sex, age groups, civil status, country
8. education	
8.1 literacy (5 and over)	sex, age groups
8.2 educational level	sex
8.3 actual school attendance (5-14)	sex, age groups
9. economic characteristics	
9.1 activity (10 and over)	sex, age groups
inactive (categories)	sex, age groups
9.2 occupation (10 and over)	sex, occupational status
9.3 branch of activity (10 and over)	sex, age groups, occupational status (also non-indigenous and indigenous separately)

15. households	size (1, 2, 3, ...9, 10 and over) persons
16. diverse (dwellings)	occupancy (owner, tenant, etc.) water supply, flush toilet

BOLIVIA

The age grouping used in the tables is the following:

- Whole population: a. individual months of age to one year
b. individual years of age to 99 and 100 and over
c. under 1, 1-4, 5-9, 5 year age groups to 80-84, 85 and over
- Civil status: under 15, 15-19, etc. see whole population c.
- Nationality: under 5, 5-9, 5 year age groups to 60-64, 65 and over
- Place of birth: see whole population c.
- Education:
- Literacy: 5-14, 15-19, etc. see whole population c.
- Actual school attendance: 5-9, 10-14
- Activity: 10-14, 5 year age groups to 80-84, 85 and over
- Inactive population by category: under 10, 10-14, 15-19, 20-24, 25-44, 45-64, 65 and over
- Branch of activity: 10-14, 15-19, 20-24, 25-44, 45-64, 65 and over

POPULATION CENSUS OF BRAZIL (1 July 1950)

Publication

VI Recenseamento Geral do Brazil - 1950

One volume covering whole country, and one volume for each federal entity. Also a selection of most important data for whole country and federal parts.

IBGE - Conselho Nacional de Estatística - Serie Nacional, Vol. 1, Brazil, Censo Demográfico, 1956 - Rio de Janeiro - Servicio Gráfico IBGE, 334 pp.

(A specimen of the questionnaire is given at the back of each volume, and a short introduction in the beginning.)

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-suburban-rural	sex, age groups, literacy, fertility
2. sex	urban-suburban-rural, age, (separately: exact+presumable) colour
3. age (separately: exact and presumable age)	sex
age groups	urban-suburban-rural, sex, colour
4. ethnic characteristics	
4.1 colour	sex, age groups
4.2 language (5 and over) (not Portuguese)	sex, age groups, nationality
5. civil status (15 and over)	sex, age groups, colour
6. nationality	sex, age groups, place of birth
6.1 foreigners	sex, age groups, country
6.2 naturalized	sex, age groups, country
7. place of birth	sex, age groups, nationality (categories separately)
8. education	
8.1 literacy	urban-suburban-rural, sex, age groups, colour, nationality
8.2 educational level (5 and over) complete courses (10 and over)	sex, age groups sex, age groups, nationality, colour, branch of activity, type of course

BRAZIL

<u>Characteristics</u>	<u>Classified by</u>
9. economic characteristics (10 and over)	
9.1 activity	sex, age groups, branch of activity, occupation, occupational status, colour, nationality
9.1.1 supplemental activity	sex, age groups, branch of activity, main activity
9.2 occupation (10 and over)	sex, branch of activity (primary, secondary)
9.3 branch of activity	sex, age groups, colour, nationality, main and secondary branch, occupation, occupational status
9.4 occupational status	sex, age groups, colour, nationality, occupation
9.5 population dependent on agriculture	sex, age groups, activity (relationship to head of household for economically inactive population)
10. religion	sex, age groups
11. fertility - females (15 and over)	age groups, civil status, urban-suburban-rural, colour
- males (20-79)	age groups, branch of activity, occupational status
15. households	size (1, 2...25, 26 and over) relationship to head of household, civil status, branch of activity (head) age groups (head)
16. dwellings	private-collective, urban-suburban-rural, occupancy (owner, tenant, etc.) water supply, electricity, flush toilet, number of rooms (1, 2, 3...10, 11 and over) number of bedrooms (1, 2, 3... 10, 11 and over)

BRAZIL

The age grouping used in the tables is the following:

- Whole population: a. individual years of age to 99 and 100 and over
 b. 0-4, 5 year age groups to 25-29, 30-39, 40-49,
 50-59, 60-69, 70-79, 80 and over
- Urban-rural: see whole population, b.
- Ethnic characteristics:
 Colour: see whole population, b.
 Language (5 and over) 5-9, etc., see whole population, b.
- Civil status: 15-19, etc. see whole population, b.
- Nationality: see whole population, b.
- Place of birth: see whole population, b.
- Education:
 Literacy: 5-9 (also single years), 10-14 (also single years),
 15-19 (also single years), rest as whole population, b.
- Educational level: 5 and over, 5-9, etc. see whole population, b.
 Complete courses: 10-14, etc. see whole population, b.
- Economic characteristics: 10-14, etc. see whole population, b.
- Religion: see whole population, b.
- Fertility - females (15 and over): 5 year age groups to 45-49, 50-59, 60-69,
 70-79, 80 and over
- males (20-79) : 20-24, 5 year age groups to 45-49, 50-59, 60-69, 70-79

POPULATION CENSUS OF CHILE (24 April, 1952)

Publication

The following reports were published:

- XII Censo General de la Población y Primero de la Vivienda, levantado el 24 de abril de 1952. Servicio Nacional de Estadística y Censos.
- Tomo I: Resumen del País, Santiago, 1956, Imprenta Periodística Gutenberg, 269 pp.
- Tomo II: Norte Grande y Norte Chico (Tarapacá, Antofagasta, Atacama y Coquimbo), Santiago, 1957, Instituto Geográfico Militar, 389 pp.
- Tomo III: Núcleo Central I (Aconcagua, Valparaíso, Santiago, O'Higgins y Colchagua), Santiago, s.f., Talleres Gráficos de La Nación, 866 pp.
- Tomo IV: Núcleo Central II (Curicó, Talca, Maule, Linares y Ñuble), Santiago, 1957, Imprenta Roma, 496 pp.
- Tomo V: Concepción y la Frontera (Concepción, Arauco, Bío-Bío, Malleco y Cautín), Santiago, s.f., Imprenta Periodística Gutenberg, 617 pp.
- Tomo VI: Región de los Lagos, Región de los Canales (Valdivia, Osorno, Llanquihue, Chiloé, Aisén y Magallanes), Santiago, 1957, Instituto Geográfico Militar, 468 pp.

(Six Volumes: Volume I Whole Country - Volumes II to VI Provinces.)

The "Resumen del País" contains a description of the country, a rather detailed census history and comparative tables. The part "Censos de 1952" consists of "Antecedentes del XII Censo de Población y I de Vivienda" as well as "national tables"; all of the latter ones are with brief comments. A model of the questionnaire is included in the back, as well as a control sheet for enumeration and the "Tarjeta Infantil" used for checking on the registration of births. The second volume and the following contain each a description of the administrative regions included in the volume and a number of tables.

In the following table a summary is given, showing the classification of characteristics which will make it possible to form an impression about the information published.

CHILE

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	sex, age, activity, literacy, actual school attendance
2. sex	all other characteristics
3. age	urban-rural, sex
age groups	sex, civil status, nationality, education, activity, branch of activity, religion, impairments
5. civil status (12 and over) ^{1/}	sex, age groups
6. nationalities (categories)	sex, age groups
foreigners	urban-rural, sex, age groups
naturalized	sex, age groups
7. place of birth	sex
born abroad (countries)	sex
8. education (6 and over)	
8.1 literacy	urban-rural, sex, age groups

9. economic characteristics (12 and over)	
9.1 activity	urban-rural, sex, age groups
9.2 branch of activity	sex, branch of activity, occupational status
9.3 branch of activity	sex, age groups, occupation, occupational status
9.4 occupational status	sex, occupation, branch of activity

COSTA RICA

<u>Characteristics</u>	<u>Classified by</u>
13. internal migration	counties, provinces
15. households	size and structure, urban-rural
relationship to the head of household	sex, age groups

The age grouping used in tables is the following:

Whole population:	a. under 1, 1-4, 5-9, 5 year age groups to 80-84, 85 and over b. single years of age to 99, and 100 and over c. single months of age to one year
Urban-rural:	see whole population a, b and c.
Colour:	see whole population, a.
Language:	under 7, 7-9, 10-14, 15-19, 20-24, 25-34, 35-44, 45-54, 55-64, 65 and over
Civil status:	15-19, 5 year age groups to 80-84, 85 and over
Nationality:	see whole population, a.
Education:	
Literacy:	10-14, 15-19, 20-24, 25-34, 35-44, 45-54, 55-64, 65 and over
Educ. level:	7-9 and further literacy
Actual school attendance:	single years, 7-24
Economic activity:	under 12, 12-14, 15-19, 20-24, 25-34, 35-44, 45-54, 55-64, 65-74, 75 and over
Branch of activity:	12-14, 15-19, 20-24, 25-34, 35-44, 45-54, 55-64, 65 and over
Relationship to the head of the household:	see whole population, a.

POPULATION CENSUS OF DOMINICAN REPUBLIC (6 August, 1950)

Publication

Two publications are available:

Tercer Censo General de Población, 1950 - 1953, Ciudad Trujillo, Sección de Publicaciones de la Dirección General de Estadística, 866 pp.

Resumen General, 1953, Ciudad Trujillo, Sección de Publicaciones de la Dirección General de Estadística, 73 pp.

Both publications contain an identical introduction, but in the second we find comments on results and more tables (the first contains some comparative tables; the remainder is generally the same as in the second, but less detailed).

SUMMARY OF INFORMATION PUBLISHED

	<u>Characteristics</u>	<u>Classified by</u>
1.	urban-rural	all
2.	sex	all
3.	age	urban-rural, sex
	age groups	urban-rural, sex

POPULATION CENSUS OF GUATEMALA (18 April, 1950)

Population

The following report was published:

Sexto Censo de Población, 18 de Abril de 1950 - Dirección General de Estadística, Guatemala, 1957, Dirección General de Estadística, 304 pp.

This publication contains a brief history of the censuses, preparation and taking of the census, concepts and definitions used, analysis of results. The appendices contain instructions for completion of the questionnaire and a model of it.

SUMMARY OF INFORMATION PUBLISHED

<u>Characteristics</u>	<u>Classified by</u>
1. urban-rural	all, except nationality, place of birth and branch of activity
2. sex	all
3. age	urban-rural, sex, ethnic groups
3. age groups	all, except branch of activity, migration and household
4. ethnic characteristics	
4.1 ethnic groups	all, except nationality, economic activity, occupation, branch of activity, migration and households
4.2 language (3 and over)	sex, age groups
4.3 indigeneous population (3 and over)	urban-rural, sex, age groups
5. civil status (14 and over)	urban-rural, sex, age groups, ethnic groups
6. nationality	sex, age groups
7. place of birth (categories)	sex, age groups, ethnic groups
born in Guatemala	sex, age groups, ethnic groups
born abroad	urban-rural, sex, age groups, ethnic groups, country
8. education	
8.1 literacy (7 and over)	urban-rural, sex, age groups, ethnic groups
8.2 educational level (7 and over)	urban-rural, sex, age groups, ethnic groups
8.3 actual school attendance (7-24)	urban-rural, sex, age groups, ethnic groups

GUATEMALA

<u>Characteristics</u>	<u>Classified by</u>
9. economic characteristics (7 and over)	
9.1 activity	urban-rural, sex, age groups,
inactive population	urban-rural, sex, age groups, ethnic groups
9.2 occupation	sex, age groups, branch of activity, occupational status
9.3 branch of activity	sex, occupation
9.4 occupational status	urban rural, sex, age groups, ethnic groups, occupation
10. religion	sex, age groups, ethnic groups
13. migration	
13.1 internal migration	urban-rural, sex
15. households (size and structure)	urban-rural, sex
relation to head of household	urban-rural, sex, age groups, ethnic groups
16. diverse - food; clothing and footwear; dwelling (7 and over)	urban-rural, sex, age groups, ethnic groups

The age grouping used in the tables is the following:

Whole population:	a. under 1, single years to 99, 100 and over b. 5 year age groups to 80-84, 85 and over
Language (3 and over):	3-4, 5-9, 5 year age groups to 60-64, 65 and over
Civil status (14 and over):	14, 15-19, 5 year age groups to 70-74, 75 and over
Nationality (ciudadanía) (18 and over):	18-19, 20-24, and 10 year age groups to 65-74, 75 and over
Place of birth (all ages):	5 year age groups to 60-64, 65 and over

GUATEMALA

Education:

Literacy (7 and over): 7-9, 10-14, 15-19, 20-24 (these groups also in single years) and 5 year age groups to 70-74, 75 and over

Educational level: 7-9, 10-14, 15-19, 20-24 (these groups also in single years) and 10 year age groups to 70-74, 75 and over

Actual school attendance (7-24): shown by single years and 7-9, 10-14, 15-19, 20-24

Economic characteristics (7 and over):

Activity: 7-9, 10-14, 15-19, 20-24 (also by single years) and 5 year age groups to 80-84, 85 and over

Inactive population: see activity (but no single years)

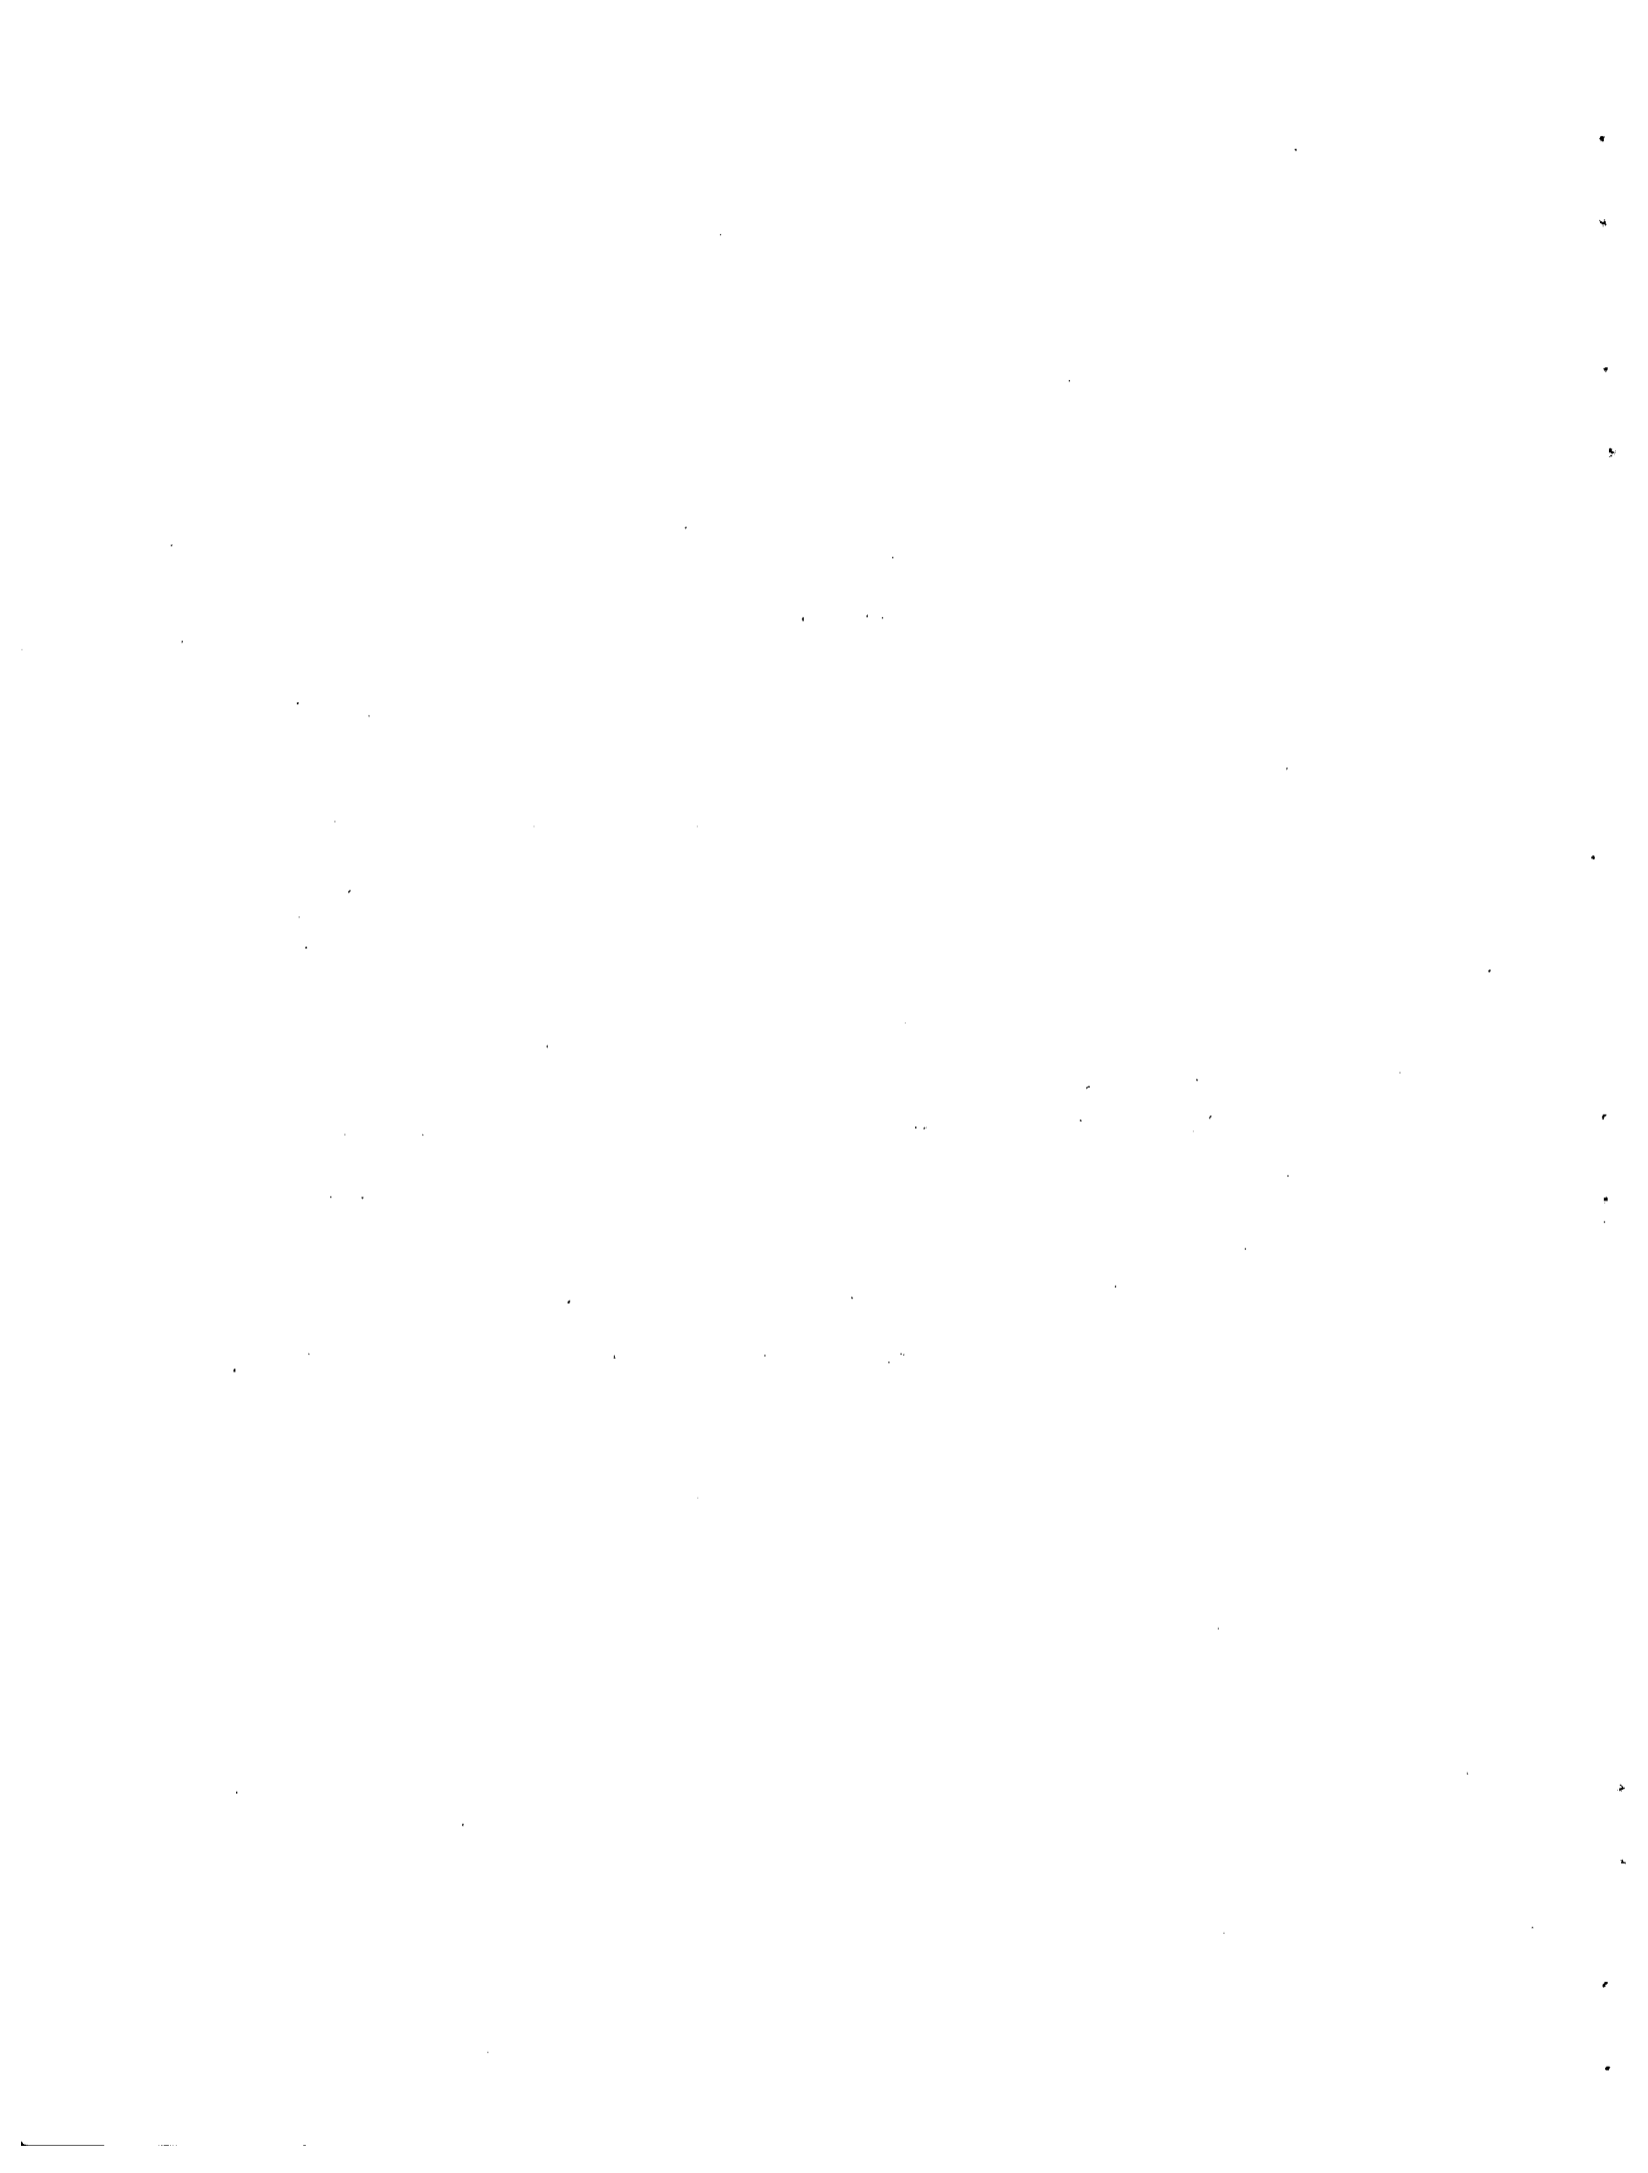

Occupation: 7-9, 10-14, 15-19, 20-24, 25-34, 35-44, 45-54, 55-64, 65 and over

Occupational status: 7-9, and 5 year age groups to 60-64, 65 and over

Religion (all ages): 5 year age groups to 60-64, 65 and over

Households, relation to head of household (all ages): see whole population, b.

Diverse: 7-9, 10 year age groups to 60-69, 70 and over

POPULATION CENSUS OF HONDURAS (18 April, 1950)

Publication

The following reports were published:

Resumen General del Censo de Población levantado el 18 de Junio de 1950 - Dirección General de Censos y Estadísticas, 1952, Tegucigalpa, Talleres Tipográficos Nacionales, 372 pp.

Detalle del Censo de Población por departamentos - levantado el 18 de Junio de 1950.

Tomo 1 - Atlántida, Colón, Comayagua, Copán, Cortés, Choluteca, El Paraíso, Francisco Morazón, s.f., Tegucigalpa, Talleres Tipográficos Nacionales, 692 pp.

Tomo 2 - Intibucá, Islas de la Bahía, La Paz, Lempira, Ocotepeque, Olancho, Santa Bárbara, Valle, Yoro, s.f.

The "Resumen General" contains a short introduction, including a specimen of the questionnaire form. Then a number of tables is shown for the whole country and a same set for each of the Provinces.
