/Representatives of

1. The first part of the report is a general introduction to the subject of the study. It discusses the importance of the study and the objectives of the research.

2. The second part of the report is a literature review.

3. The third part of the report is a description of the methodology used in the study.

4. The fourth part of the report is a presentation of the results of the study.

5. The fifth part of the report is a discussion of the results.

6. The sixth part of the report is a conclusion and a list of references.

7. The seventh part of the report is a list of references.

8. The eighth part of the report is a list of references.

9. The ninth part of the report is a list of references.

10. The tenth part of the report is a list of references.

11. The eleventh part of the report is a list of references.

12. The twelfth part of the report is a list of references.

13. The thirteenth part of the report is a list of references.

14. The fourteenth part of the report is a list of references.

15. The fifteenth part of the report is a list of references.

16. The sixteenth part of the report is a list of references.

17. The seventeenth part of the report is a list of references.

18. The eighteenth part of the report is a list of references.

19. The nineteenth part of the report is a list of references.

20. The twentieth part of the report is a list of references.

21. The twenty-first part of the report is a list of references.

22. The twenty-second part of the report is a list of references.

23. The twenty-third part of the report is a list of references.

24. The twenty-fourth part of the report is a list of references.

25. The twenty-fifth part of the report is a list of references.

26. The twenty-sixth part of the report is a list of references.

Secretariat:

Mr. A. SANTA CRUZ	Deputy Executive Secretary of the Commission
Mr. MENDEZ	Secretary of the Committee

/CONSIDERATION OF

CONSIDERATION OF THE RAPPORTEUR'S REPORT (Conference room paper N°36)

Mr. PALACIOS (Guatemala), speaking in his capacity as Rapporteur, read out the report of the Committee's work.

After an exchange of views in which Mr. GARCIA INCHAUSTEGUI (Cuba), Mr. RIOSECO (Chile), Mr. SAMPER (Colombia), Mr. CALDERON (México), Mr. PEÑA (El Salvador), Mr. MIDWINTER (Canada) and Mr. DEUSTUA (Peru) took part, it was agreed to appoint a working group consisting of the representatives of Mexico and Venezuela in order to incorporate the various comments in the text of the report to collaborate with the Rapporteur and the Secretary.

The meeting was suspended at 5.15 p.m. and resumed at 11.25 p.m.

Mr. PALACIOS (Rapporteur) read out the revised text of his report embodying the suggestions made by the working group.

Mr. GARCIA INCHAUSTEGUI (Cuba), Mr. CALDERON (Mexico), Mr. DEUSTUA (Peru) and Mr. FALUT (United States), made various comments designed to improve the drafting, but not affecting the substance of the report.

Mr. MENDEZ (Secretary of the Committee) welcomed the comments and undertook to embody them in the text of the report, since they had been accepted by the Rapporteur.

On a vote being taken, 12 votes were cast in favour and none against; consequently the report was approved unanimously.

/ Mr. RIOSECO

Mr. RIOSALCO (Chile) congratulated the officers for their *adroit* conduct of the debates, the representatives who had spoken in the debate for their valuable contributions to the topics dealt with; in particular, he thanked the Rapporteur for his helpfulness in embodying in the report the suggestions which had been made.

The CHAIRMAN thanked the Chilean representative for his kind words and the representatives for their good will, as well as the secretariat for their cooperation.

Mr. PALACIOS (Rapporteur) likewise expressed gratitude for the appreciation shown and thanked the delegations for the collaboration they had lent him.

The meeting rose at 11.45 p.m.
