278 (XII). Postage stamp to commemorate the twentieth anniversary of the Economic Commission for Latin America

The Economic Commission for Latin America,

Bearing in mind that 25 February 1968 will be the twentieth anniversary of the establishment of the Economic Commission for Latin America,

Considering that the greatest possible publicity should be given to the work of ECLA in its own fields of activity and that so historic an anniversary should be fittingly commemorated and remembered by individuals and institutions in the various countries of the region,

Decides to recommend to the postal administrations in each and all of the States members of the Commission that they should issue a postage stamp to commemorate the twentieth anniversary of ECLA, which might depict, as its principal motif, the United Nations building at Santiago, Chile.
