ECONOMIC COMMISSION FOR LATIN AMERICA  
Ninth Session  
Santiago, Chile, May 1961

DEVELOPMENT OF INFORMATION MEDIA IN LATIN AMERICA

Note by the secretariat

Note by the secretariat

The secretariat has pleasure in transmitting to the delegations attending the ninth session of the Commission part of the report of the Director-General of UNESCO on the "Development of information media in under-developed countries" (E/3437/Add.1) which contains a full account of the proceedings of the Meeting of Experts on the Development of Information Media in Latin America (Santiago, Chile, 1-13 February 1961), held under the auspices of UNESCO. A summary of the report was distributed to the delegations a few days ago.
