Item 11 of the agenda

CO-ORDINATION BETWEEN THE ECONOMIC COMMISSION FOR  
LATIN AMERICA AND THE INTER-AMERICAN  
ECONOMIC AND SOCIAL COUNCIL

Draft resolution approved 9 June 1951 by the  
Working Group on Co-ordination between the  
Economic Commission for Latin America and  
the Inter-American Economic and Social Council

THE ECONOMIC COMMISSION FOR LATIN AMERICA

TAKING INTO ACCOUNT its responsibility with respect to the  
Economic and Social Council of the United Nations and the  
responsibility of the Inter-American Economic and Social Council  
towards the Organization of American States;

CONSIDERING that without prejudice to the independence and the  
terms of reference contained in their respective charters or  
constitutions, it is necessary to intensify co-operation and  
co-ordination between all the international agencies and bodies  
established in the area;

CONSIDERING that ECLA's wide terms of reference facilitate  
joint action and the concentration of efforts on problems of

/primary

primary importance, both by ECLA and by other established agencies in the region; and in particular that since its creation ECLA, in accordance with its terms of reference, has developed arrangements for close co-operation and co-ordination with the Inter-American Economic and Social Council, and that any unnecessary duplication of work thus has been avoided, as is demonstrated by statements made by representatives of the agencies concerned at the sessions of the Commission and by the statement of the Executive Secretary (document E/AC.34/6, paragraphs 91-159) which was prepared in consultation and agreement with the Executive Secretary of the Inter-American Economic and Social Council (paragraphs 139-156).

TAKING INTO ACCOUNT that the Commission already has expressed the need for its continuation, and the desirability that ECLA continue to give its attention to the work of economic development,

THE ECONOMIC COMMISSION FOR LATIN AMERICA
