COMMITTEE OF THE WHOLE
Eighth Session
Santiago, Chile, February 1962

RESOLUTION 219 (AC.50): RESOLUTION FOR SUBMISSION TO
THE ECONOMIC AND SOCIAL COUNCIL, ON THE LATIN AMERI-
CAN ECONOMIC AND SOCIAL PLANNING INSTITUTE

The Committee of the Whole of the Economic Commission for Latin America,

Bearing in mind that a resolution has been adopted at its current session establishing a Latin American Economic and Social Planning Institute,

Considering that it is a matter of the utmost urgency for the economic and social development of Latin America that the Institute should begin its work at once,

Mindful of article 10 of the Commission's terms of reference,

Recalling that the Economic and Social Council will hold its thirty-third session in April 1962, when it will have an opportunity to consider the establishment of the Institute that has just been approved,

Resolves:

1. To request the secretariat to transmit forthwith to the Economic and Social Council a special report on the Institute, giving an account of the discussions on the subject by the Committee of the Whole, and of their decisions and resolutions adopted thereon;

2. To ask the Economic and Social Council, at its thirty-third session, to devote special consideration to the Commission's decisions with respect to the Institute, in view of the urgent need for it to begin its operations.
