ACTIVITIES OF THE CARIBBEAN DEVELOPMENT AND
CO-OPERATION COMMITTEE

The Economic Commission for Latin America,

Recalling resolution 358 (XVI) of the Economic Commission for Latin America, which established the Caribbean Development and Co-operation Committee,

Recalling also ECLA resolution 372 (XVII) and 399 (XVIII) and resolutions 420 (PLEN.14) and 451 (PLEN.16) of the Committee of the Whole, which endorsed the Constituent Declaration, functions, rules of procedure and work programme of CDCC and the reports of the first through the sixth sessions of the Committee,

Bearing in mind resolution 1982/58 of the Economic and Social Council, which took note of the determination of the member governments of CDCC to pursue activities aimed at strengthening the Secretariat of the Committee, and General Assembly resolution 32/197 on restructuring of the economic and social sectors of the United Nations system and decentralization of the functions of the United Nations, including those of the economic commissions,

I.

1. Notes the progress achieved in the implementation of the approved work programme since the sixth session of the Committee;

2. Endorses with appreciation the report of the seventh session of CDCC and the resolutions contained therein;

3. Endorses the programme of work approved for the biennium 1984-1985;

II.

1. Takes note with appreciation of recent advances in the delegation of authority to the ECLA Subregional Headquarters for the Caribbean, the identification of most items of the budget as they relate to CDCC in the 1984-1985 Programme Budget document, and the issuance of separate budgetary allotments for the ECLA Subregional Headquarters for the Caribbean;

2. Reiterates its concern that:

- i) the entire work programme of the ECLA Subregional Headquarters for the Caribbean for 1984-1985 continues to be subsumed as a subprogramme under the Programme "International Trade and Development Financing";

- ii) delays are still being experienced in filling the vacant posts in the ECLA Subregional Headquarters for the Caribbean;

3. Requests the Executive Secretary of ECLA to seek the revision at the earliest possible time of the United Nations medium-term plan for the period 1984-1989 and the combined ECLA work programme in order to re-establish a separate programme for the ECLA Subregional Headquarters for the Caribbean, as was the case during the 1982-1983 biennium;

4. Further requests the Executive Secretary of ECLA to accelerate efforts to seek and to channel funding and resources to the ECLA Subregional Headquarters for the Caribbean and also to accelerate the filling of vacant posts in that Office, bearing in mind that several Caribbean countries are non-represented or under-represented on the staff of the United Nations;

NEW PROGRAMME OF WORK AND SUPPORT FOR THE LATIN AMERICAN INSTITUTE
FOR ECONOMIC AND SOCIAL PLANNING (ILPES)

The Economic Commission for Latin America,

Recalling that in June 1983 the Latin American Institute for Economic and Social Planning (ILPES), a permanent United Nations body functioning with its own identity within the ECLA system, completed 21 years of valuable service to the region,

Bearing in mind the results of the Fourth Conference of Ministers and Heads of Planning (Buenos Aires, 9-10 May 1983), which is the highest level forum of the System of Co-operation and Co-ordination among Planning Bodies of Latin America and the Caribbean,

Also bearing in mind the resolutions adopted by the Fifth Meeting of the Technical Committee of ILPES (Buenos Aires, 10 May 1983) and the Sixth Meeting of the Technical Sub-Committee of ILPES (Mexico City, 28-29 November 1983) regarding the main lines of the programme of work and the future financing of ILPES,

Recognizing that in the sphere of economic and social planning ILPES is an intergovernmental body of fundamental importance for strengthening the co-ordination of economic and social policies and strategies as instruments of development and co-operation among the countries of the region,

1. Takes note with satisfaction of the report on the activities of ILPES during the period 1981-1984 contained in document E/CEPAL/ILPES/G.21, E/CEPAL/SES.20/G.23;

2. Notes with approval the main lines of the programme of work of ILPES for the triennium 1984-1986 laid down by the governments and the Director of the Institute, as well as the main functional areas in which it will concentrate its activities: economic policy and planning; public sector planning; regional and sectoral planning, and pre-investment and projects;

3. Likewise notes with approval the core topics to which ILPES will give priority: articulation of the short, medium and long-term policy formulation processes; the place of the region in the world economy in the near future; the territorial and social effects of global and sectoral economic policies, and the role of the public sector in the region, with emphasis on its social development policies;

4. Expresses its satisfaction at the results of the Fourth Conference of Ministers and Heads of Planning of Latin America and the Caribbean (Buenos Aires, 9-10 May 1983), which once again confirm the great importance for regional co-operation assumed by this multilateral forum for technical discussion on the shared problems of development and for the exchange of experience regarding public policies;

5. Endorses the recommendations of the Fifth Meeting of the Technical Committee of ILPES and the Sixth Meeting of the Technical Sub-Committee of ILPES, and hence:

a) Urges the governments of the region to give the highest priority to defending the financing of ILPES at meetings of international organizations;

b) Notes with approval the establishment and implementation of the new regular system of financing of ILPES on the basis of voluntary contributions determined by each country, as approved at the Fifth Meeting of the Technical Committee;

6. Expresses its satisfaction at the decision taken by the countries which have signed the Memorandum of Understanding with ILPES or have already pledged their contributions for 1984, recommends those countries of the region which have not yet done so to take a decision on their voluntary contributions as soon as is convenient, and urges all member countries to make actual payment of their contributions in 1984 with the greatest possible promptness;

7. Recommends to the member countries to seek additional resources in order to finance activities they plan to carry out with ILPES, also using, in so far as possible, resources from the UNDP indicative national planning figures;

8. Renews the expression of its special gratitude to UNDP for the whole-hearted support given to ILPES since its establishment, and urges it to continue to give the Institute its valuable technical and financial support;

9. Reiterates its satisfaction at the support given by the whole region to ILPES, at the co-operation agreements which the Institute is signing with some member governments, at the important backing given to it by the Inter-American Development Bank, and at the collaboration of countries which are not members of ILPES, such as Belgium, the Federal Republic of Germany, France, Japan, the Netherlands, and Spain;

10. Requests the Executive Secretary of ECLA to approach the relevant bodies of the United Nations with a view to expanding the technical staff of ILPES paid for from the regular budget of the United Nations;

11. Notes and approves the bases for promoting horizontal co-operation given in the report prepared on this subject for the Sixth Meeting of the Technical Sub-Committee^{*/} and recommends national planning bodies to continue to promote the necessary measures to strengthen this co-operation in so far as they are able, in line with those bases;

12. Notes with satisfaction and approves the report on the activities of ILPES during 1983 and its programme of work for 1984, as laid down at the Fifth Meeting of the Technical Sub-Committee (San José, 29-30 November 1982), the Fifth Meeting of the Technical Committee (Buenos Aires, 10 May 1983) and the Sixth Meeting of the Technical Sub-Committee (Mexico City, 28-29 November 1983);

13. Also notes with satisfaction the greater emphasis which will be given by ILPES to programmes for Central America and the Caribbean, including the carrying out of specific technical and financial studies with a view to the decentralization of its activities in these areas;

^{*/} See ILPES, New services for horizontal co-operation, document VI-ST/5.

14. Takes note with satisfaction of the recommendations of the Third Meeting of Caribbean Planning Experts (Port of Spain, 28 April - 2 May 1983) and repeats its request to ILPES and the Governments of the Caribbean; to ensure, in so far as it is possible for them to do so, conditions such as to permit greater activity in the region, that included requests for initiating activities in the Caribbean in conjunction with the ECLA Subregional Headquarters for the Caribbean;

15. Likewise notes with satisfaction that the Government of Brazil has proposed that the Seventh Meeting of the Technical Sub-Committee, to be convened in the second half of 1984, should be held in Brasilia and that the Government of Mexico has offered to host the Fifth Conference of Ministers and Heads of Planning of Latin America and the Caribbean and the Sixth Meeting of the Technical Committee, which will consequently be held in Mexico City in the first half of 1985.

SESSIONAL COMMITTEE ON CO-OPERATION AMONG DEVELOPING
COUNTRIES AND REGIONS

Draft resolution

TECHNICAL AND ECONOMIC CO-OPERATION BETWEEN THE COUNTRIES OF
THE CARIBBEAN AREA AND THE OTHER COUNTRIES OF THE REGION

The Economic Commission for Latin America,

Bearing in mind its resolution 358 (XVI) of 13 May 1975 on the establish-
ment of the Caribbean Development and Co-operation Committee (CDCC), which
as well as recognizing the special historical, geographical and cultural
identity of the Caribbean countries and reaffirming the need to maintain and
strengthen Latin American co-ordination and solidarity, emphasized the need
to promote initiatives designed to strengthen co-operation between the other
member countries of ECLA and integration groupings of countries of the Latin
American region with the CDCC,

Also bearing in mind its resolution 365 (XVII) of 5 May 1977 on economic
integration and co-operation, which points out that despite the considerable
progress made in the integration of the economies of the countries of the
region and in linking up their production systems, full use has yet to be made
of the economic potential of integration,

Recalling its resolution 440 (XIX) of 15 May 1981 in which it requests
the Executive Secretary, in collaboration with the Caribbean institutions
charged with promoting co-operation and integration, to prepare a programme
of work and studies with a view to strengthening technical and economic co-
operation between the countries of the Caribbean area and the other countries
of the region,

Noting the meeting of the Caribbean Development and Co-operation Committee's Ad Hoc Working Group on Caribbean/Latin American Co-operation, held in Port of Spain on 1 - 2 February 1984, which discussed inter alia trade settlement arrangements, trade promotion, tourism, banking, consultancy, container repairs, science and technology;

Conscious of the need that technical and economic co-operation between the countries and groups of countries of the Caribbean subregion and the countries and groups of countries of the rest of the region should be linked with the processes and machinery for economic integration which exist in the region,

1. Takes note with satisfaction of the preparation by the Secretariat of a study which examines and identifies the main obstacles standing in the way of greater co-operation between the Caribbean countries and the other countries of the region, determines what opportunities exist for increasing such co-operation, and suggests several areas for the promotion of specific projects aimed at creating closer links of technical and economic co-operation between the Caribbean countries and other countries of the region in spheres of common interest^{*/};

2. Requests the Executive Secretary:

a) To prepare, in consultation with the Secretariat and member States of the CDCC, as well as other countries in the region, and with the co-operation of other Caribbean institutions responsible for promoting co-operation and integration, specific projects in those spheres already identified in advance which offer concrete possibilities for co-operation between the Caribbean countries and the rest of the region, including inter alia trade services, transport, science and technology, and education and culture;

b) To report to the 21st session of the Economic Commission for Latin America on the appropriate measures taken within the work programme of the Commission to implement specific projects to promote co-operation between Latin America and the Caribbean.
