 Subregional Headquarters for the Caribbean

UNITED NATIONS EDUCATIONAL, SCIENTIFIC AND CULTURAL
 ORGANIZATION

CARIBBEAN SCIENCE AND TECHNOLOGY INFORMATION NETWORK

Regional Seminar on Information Services and Systems
 on Research in Progress
 Port-of-Spain, Trinidad
 20-25 January 1986

PROVISIONAL AGENDA

UNITED NATIONS

ECONOMIC COMMISSION FOR LATIN AMERICA AND THE CARIBBEAN
 Subregional Headquarters for the Caribbean

1. Opening of the seminar
2. Election of officers
3. Adoption of the workplan
4. Presentation of status reports by participants on information systems and services on research in progress
5. Microcomputer demonstration on research projects
6. Presentation of the working document on the present situation of information services and systems on research in progress in Latin America and the Caribbean
7. Overall discussion of issues raised:
 - 7.1 Main problem areas in the field of information on research in progress
 - 7.2 Priority actions needed to meet common problems
 - 7.3 Consideration of the requirements for establishing a regional network for the exchange of information on research in progress and of the strategies required for its establishment and operation
 - 7.4 Consideration of national infrastructure for information services on research in progress
8. Proposal for a plan of action and strategies (short-term and long-term) for co-operative action, leading to the eventual interlinkage of existing services/systems into a regional information network on research in progress
9. Discussion and adoption of draft final report
10. Closure of the seminar
