ECONOMIC COMMISSION FOR LATIN AMERICA

Sixth Session
Bogota, Colombia
29 August 1955

THE EXPANDED PROGRAMME OF TECHNICAL ASSISTANCE

NOTE BY THE SECRETARIAT

At the Fourth Committee of the Whole Meeting held in Santiago de Chile from 9 - 10 May 1955, the report expressly drafted for this meeting by the Secretariat of the Technical Assistance Board, The Expanded Programme of Technical Assistance - Assistance to the Countries and Territories of the Latin American Region during 1954 (E/CN.12/AC.26/3) was presented for the consideration of the delegations of Member Governments. The document was not discussed at the Fourth Committee of the Whole Meeting because delegations were agreed that, since ECLA's Sixth Session was so close, it would be better for that session to decide upon the appropriate agreements in relation to the subject matter of the TAB report. For this purpose, the secretariat has pleasure in transmitting this document to Member Governments once again.
