ECONOMIC COMMISSION FOR LATIN AMERICA

Third Session

Montevideo, Uruguay.

v029 S5000021 E

Executive Secretary's Note on the Conclusions  
of the Preliminary Migration Conference of  
the International Labour Office - Geneva,  
25 April - 9 May 1950.

Document E/CN.12/179 entitled "International Labour Office -  
Note for transmission to the Third Session of the Economic  
Commission for Latin America", is circulated in connection with  
Item 8 of the Provisional Agenda of the Third Session of the  
Economic Commission for Latin America. The Agenda of the  
Preliminary Migration Conference of the International Labour  
Office held at Geneva 25 April - 9 May 1950 is given below:

- "1. Exchange of views on present position as regards migration  
and factors restricting its development:
  - (a) position as regards current emigration;
  - (b) manpower in Europe available for emigration;  
demands for manpower from immigration countries;
  - (c) I.L.O. activities to assist migration; activities of  
other international organizations in this field.

2. Measures necessary to organize migration on the

at Montevideo.

international and national levels, in particular -

(a) methods of determining:

(i) the number and qualifications of workers available for emigration;

(ii) the number and qualifications of workers required by immigration countries.

(b) appropriate methods for organising recruitment, selection, transport, reception, placement and settlement of migrant workers.

3. Migration and economic development:

(a) desirability of establishing machinery for promoting economic development with respect to both industrial and agricultural projects, taking into account needs for foreign manpower;

(b) technical assistance which international organisations can provide.

4. Financial basis for plans for economic development:

advances and technical aid from international organisations: private capital investment."
