INDEX BY SUBJECT

(The references are to resolution numbers. Roman numerals indicate number of session where resolution was adopted. The letters AC indicate that the resolution was adopted by the Committee of the Whole, the letters TC indicate that it was adopted by the Trade Committee and the letters CCE or AC.17 indicate that it was adopted by the Economic Co-operation Committee. All other resolutions were adopted by the Commission itself.)

Access to markets

Access to markets, 270 (XII); Access to markets in relation to integration agreements among developing countries, 274 (XII)

Administration

Decentralization of administrative machinery, 190 (IX)

Advisory groups

Pulp and paper advisory group, 128 (VII); Economic development advisory groups, 155 (VIII)

Agricultural credit

Technical assistance and the meeting of agricultural credit experts, 49 (III); Agricultural credit studies, 50 (III); Agricultural credit, 65 (V)

Agricultural development

Interdependence between the development of agriculture and the development of industry, 28 (II); Measures for increasing agricultural production, 29 (II); Recommendations on the development of agriculture and of fisheries in Latin America, 30 (II); Agricultural improvement in Latin America, 15 (IV); Country studies on agricultural development, 62 (V); Selectivity and productivity in agriculture, 87 (VI); Productivity in agriculture, 134 (VII); Uneconomic farms, 135 (VII); Structural and institutional factors of agricultural development, 158 (VIII); Agricultural development, 225 (X)

Agricultural development-programming

Co-ordination of agricultural programming, 88 (VI); Programming of agricultural development, 89 (VI)

Agricultural policy

Agrarian policy, 182 (IX)

Agricultural prices

Agricultural prices and crop insurance, 12 (I); Distribution, markets and prices of agricultural products, 47 (III)

Agricultural products

Agricultural prices and crop insurance, 12 (I); Distribution, markets and prices of agricultural products, 47 (III); Industrial transformation of agricultural products, 94 (VI)

Agricultural statistics

Sampling techniques and their use in the study of economic problems of agriculture, 61 (V); Agricultural statistics, 64 (V)

Agricultural surpluses

Agricultural surpluses, 95 (VI)

Agricultural training centre

Agricultural training centre, 16 (IV)

Agriculture

Agricultural prices and crop insurance, 12 (I); Measures for increasing agricultural production, 29 (II); Recommendations on the development of agriculture and of fisheries in Latin America, 30 (II); Chapter of the economic survey of Latin America relating to agriculture, 33 (II); Agricultural improvement in Latin America, 15 (IV); Sampling techniques and their use in the study of economic problems of agriculture, 61 (V); Agricultural investment, 92 (VI); Productivity in agriculture, 134 (VII); Uneconomic farms, 135 (VII); Agriculture and balanced economic development, 183 (IX); Agriculture and industrial development, 244 (XI); See also: Land reform

ALALC

See LAFTA

Amazon basin

Studies of the Amazon basin, 39 (II); Research in the Amazon area, 93 (VI); Amendments to rules 3, 10, 25 and 38 of the Commission's present rules of procedure, 33 (IV); Amendments to rules of procedure, 40 (AC.16); Amendments to the rules of procedure, 71 (V); Amendments to the rules of procedure of the Commission, 284 (XIII)

Anti-cyclical policy

Economic development and anti-cyclical policy, 45 (III)

Banana

Problems of the banana industry, 67 (V);

Basic raw materials, see Commodities

Belize: See British Honduras

British Honduras (Belize)

Admission of British Honduras or Belize as an associate member of the Commission, 181 (IX);
Economic development of British Honduras or Belize, 195 (IX)

Budget

Improvement of budget procedures, 148 (VIII)

Building

Building for ECLA in Chile, 138 (VII); United Nations building in Santiago, 143 (AC.40); United Nations building in Santiago, Chile, 175 (AC.45); United Nations building in Santiago, Chile, 216 (AC.50)

Building materials

Tariff liberalization with respect to construction materials, 205 (IX);
Programming of housing, 224 (X)

Capital

Studies on conditions affecting capital investments, 26 (II); Taxation in capital-exporting and capital-importing countries of foreign private investments in Latin America, 52 (V)

Capital goods

Capital goods industries, 207 (IX)
