RESOLUTION 199 (IX) ESTABLISHMENT OF AN INSTITUTE FOR PLANNING
ECONOMIC DEVELOPMENT

The Economic Commission for Latin America,

Considering the importance and urgency of planning economic development in Latin America for fostering and securing the accelerated economic development of the region,

Considering the need for economic development training and advisory assistance in Latin America on a much larger scale than in the past to support these planning activities,

Considering that an economical and expeditious way of meeting this need is to expand the already existing ECLA activities in the fields of training, research and advisory assistance,

Being aware that, in spite of the increased contributions of United Nations technical assistance programmes, the resources at the Secretariat's disposal for carrying out economic development training and advisory activities are not adequate to meet all the requests received,

Considering that the United Nations Special Fund lends its assistance to planning, training, and other pre-investment activities like those referred to above,

Appreciating the specific interest expressed at this session of the Commission by the Managing Director of the United Nations Special Fund in economic development programming and planning,

Appreciating further the Managing Director's readiness to recommend to the Governing Council of the Special Fund that it approve a special allocations of funds to permit preparatory work for a draft request for the establishment of an institute for planning economic development in Latin America,

Noting that the Governments of Chile, Colombia and Venezuela have submitted a request to the Special Fund for the Establishment of such an institute, and that other Governments intend to do likewise,

Decides:

1. To recommend that ECLA's current training and advisory activities in the field of planning be expanded to the extent necessary, and that to this end the Executive Secretary of ECLA,

in consultation with the Managing Director of the Special Fund, prepare the organization of the establishment of an autonomous institute for planning economic development under the auspices of ECLA, and so organized that it will be empowered to receive and administer funds from sources other than the Latin American Governments and the United Nations Special Fund;

2. To recommend that the said institute should aim at building up a permanent team of development planning experts to work at the regional or national level and at establishing close liaison with the planning institutions of the Latin American Governments, in order to maintain a continuous process of training exchange of experience and improvement of planning techniques;

3. To request the Executive Secretary of ECLA to give such assistance as may be requested by the Managing Director of the Special Fund and the Governments concerned dealing with all the procedures necessary for the establishment of the institute;

4. To express the hope that the Managing Director and the Governing Council of the Special Fund will give prompt and favourable consideration to the applications formulated by the Latin American Governments for financial support for this institute;

5. To request the Executive Secretary of ECLA to consult with the Managing Director of the Special Fund on the arrangements that might be made with other international and regional organizations for the functioning of the institute.

6. To draw the attention of the Latin American Governments to the desirability of supporting the work of the institute by placing at its disposal the local human and material resources required to ensure the maximum efficiency of its activities in the various countries;

7. To declare that it is confident that the institute established under the auspices of ECLA with the support of the United Nations Special Fund will in time become an agency directed and maintained by the Latin American Governments.

Mindful of article 10 of the Commission's terms of reference,

Recalling that the Economic and Social Council will hold its
thirty-third session in April 1962, when it will have an opportunity
to consider the establishment of the Institute that has just been

of the Whole, and of their decisions and resolutions adopted thereon;

third session, to devote special consideration to the Commission's
decisions with respect to the Institute, in view of the urgent
need for it to begin its operations.

RESOLUTION 260 (AC.58) LATIN AMERICAN INSTITUTE FOR ECONOMIC AND
SOCIAL PLANNING

The Committee of the Whole of the Economic Commission for
Latin America,

Considering the important contribution made to the Governments in their planning and development activities by the Latin American Institute for Economic and Social Planning, created in 1962 by virtue of an ECLA resolution and established as a project of the United Nations Special Fund with the aid of the Inter-American Development Bank,

Considering that the Commission has followed the progress of the Institute's work by means of the annual reports submitted by its Governing Council to ECLA,

Bearing in mind the report of activities and the report of the Director-General of the Institute on its past development and policy, as well as the other documents on the subject,

Considering that the Latin American Governments have been helping to finance the Institute, through the contribution of the Inter-American Development Bank and other resources and through the counterpart funds allocated for the intensive training courses and advisory groups on planning.

Considering that, in its resolution 220 (AC.52), the Committee of the Whole requests the Governing Council of the Institute to submit to ECLA, prior to its 1966 session, a proposal designed to ensure the continuity of the Institute,

Noting with satisfaction the resolution adopted on 17 December 1965 by the Governing Council of the Institute recommending the continuation and intensification of the activities of the Latin American Institute for Economic and Social Planning,

Considering that the functions of the Institute fill a permanent need in the field of development planning in Latin America,

Considering that the action being taken by the United Nations in Latin America through the Latin American Institute for Economic and Social Planning is wholly consistent with the objectives of the United Nations Development Decade (General Assembly resolutions 1710 (XVI) of 19 December 1961 and 2034 (XX) of 20 December 1965).

Bearing in mind the recommendation made by the Economic and Social Council in resolution 1079 (XXXIX) of 28 July 1965 to the regional economic commissions to continue and intensify their work on planning, in which express mention is made of the planning institutes established by these commissions,

Decides,

1. To express, with particular satisfaction, its support for the Institute in the work it is doing, which has made a significant contribution, in the form of training courses, research and advisory services, to the progress of planning in Latin America;
2. To recommend to the Government that, in view of the increasing requirements deriving from the process of planning in Latin America, they take the necessary steps to continue and intensify the activities of the Institute in, among other fields, the economic integration of Latin America, and to support the proposals for financing made for that purpose to the United Nations Development Programme and the Inter-American Development Bank;
3. To transmit to the Administrator of the United Nations Development Programme its appreciation for the support extended to the Institute and to the Project, for the Expansion of Activities approved by the Special Fund, and to urge him to continue to assist it in future in order to ensure the continuity and expansion of the Institute's activities;
4. To transmit to the President of the Inter-American Development Bank and to its Directors its gratitude for the support they have given to the Institute, and to urge them to continue to assist it in future in order to ensure the continuity and development of the Institute's activities.

To express its appreciation of the valuable co-operation extended to the Institute by the International Labour Office, the United Nations Development Programme, the Food and Agriculture Organization of the United Nations, the United Nations Educational, Scientific and Cultural Organization, the United Nations Children's Fund, the Pan American Sanitary Bureau (the regional office of the World Health Organization); the Organization of American States, the Agency for International Development of the United States Government, Resources for the Future, Inc., and other international, national, public and private organizations, and to recommend that such co-operation be continued, at the same time expressing its gratitude to the Governments of the Netherlands, for the financial resources it has made available to the Institute for the implementation of its work;

6. To request the Executive Secretary of ECLA and the Director-General of the Institute to take such steps as may be required to ensure implementation of this resolution.

11 May 1966

RESOLUTION 286 (XIII) LATIN AMERICAN INSTITUTE FOR ECONOMIC AND
SOCIAL PLANNING

The Economic Commission for Latin America,

Considering that the Latin American Institute for Economic and Social Planning was established by resolution 220(AC.52) of 6 June 1962 1/ as a project of the United Nations Special Fund with the support of the Inter-American Development Bank, which ensured its financing for an initial five-year period,

Bearing in mind that in its resolution 260(AC.58) of 11 May 1966 2/ the Commission expressed its support for the activities of the Institute, considered that the functions of the Institute filled a permanent need in Latin America, and adopted recommendations to continue and intensify the activities of the Institute in the future,

Considering that the second phase of the Institute's activities began on 1 July 1967, in accordance with the Plan of Operations of the United Nations Development Programme endorsed by the Latin American Governments, for a further period of four years as from that date,

Emphasizing that the tasks entrusted to the Institute are particularly important for the progress of planning in Latin America, and are closely associated with the activities planned by the United Nations Secretariat and the Governments of member States in the Second United Nations Development Decade,

Realizing that these tasks have greatly assisted planning agencies in many Latin American countries in their work of organization, strategy formulation, execution of studies and training of personnel,

Aware that there is a growing demand for the services of the Institute on the part of Governments and that these services fulfil long-term needs, and that the Institute should therefore become a permanent body when its second phase of activity comes to an end,

1. Expresses its deep appreciation to the Administrator of the United Nations Development Programme and the President of the Inter-American Development Bank for the support they are giving to the Institute;

1/ See Official Records of the Economic and Social Council, Thirty-fourth Session, Supplement N° 4 A (E/3649), part II.

2/ Ibid., Forty-first Session, Supplement N° 4 (E/4181), para. 446.

2. Urges that the Secretary-General and the United Nations Development Programme should provide the necessary support in order to convert the Latin American Institute for Economic and Social Planning into a permanent body and to ensure its financing over the long term, and also requests the Governments to continue to support it;

3. Requests the Executive Secretary of the Commission and the Director-General of the Institute, in collaboration with the Governing Council of the Institute, to take the necessary measures to implement the present resolution, and to enter into consultations with the Inter-American Development Bank with a view to ensuring that the close collaboration between the two institutions will continue after June 1971.

19 April 1969

RESOLUTION 287(XIII) MEETINGS OF THE GOVERNING COUNCIL OF THE
LATIN AMERICAN INSTITUTE FOR ECONOMIC AND
SOCIAL PLANNING

The Economic Commission for Latin America,

Recalling that by resolution 220(AC.52) of 6 June 1962 1/ it established the Latin American Institute for Economic and Social Planning under its auspices, and that operative paragraph 3 (e) of that resolution provides that the Governing Council of the Institute shall hold meetings at least twice a year,

Bearing in mind General Assembly resolution 2361(XXII) of 19 December 1967 and Economic and Social Council resolution 1264(XLIII) of 3 August 1967, which request all subsidiary organs and bodies of the United Nations to consider reducing the number of their meetings,

Noting the recommendation of the Governing Council of the Institute at its twelfth session that the Council should hold one meeting a year instead of the two prescribed in resolution 220(AC.52),

Considering that it is advisable to reduce the frequency of meetings provided that this does not affect substantive work,

Decides to amend operative paragraph 3 (e) of resolution 220 (AC.52) to read as follows:

"The Governing Council shall elect a chairman from among the eight members mentioned in sub-paragraph (b) above, and shall adopt rules of procedure for its meetings, which shall be held once a year."

19 April 1969

1/ See Official Records of the Economic and Social Council, Thirty-fourth Session, Supplement N° 4 A (E/3649), part II.

RESOLUTION 296 (AC.62) LATIN AMERICAN INSTITUTE FOR ECONOMIC AND
SOCIAL PLANNING

The Committee of the Whole of the Economic Commission for
Latin America,

Having studied the proposals submitted by the Director-General of the Latin American Institute for Economic and Social Planning to the Governing Council of the Institute and the resolution adopted by the Council at its meeting in January 1970 in which it gave full support to those proposals,

Bearing in mind that in the Plan of Operations of the United Nations Special Fund for Phase II of the Institute's activities, it was established that "there was the intention that the Institute should be a permanent body", and that that intention had already been expressed in the Commission's resolution 220 (AC.52) of 6 June 1962 whereby the Institute was set up under the Commission's aegis,

Recalling the Commission's resolution 286 (XIII), in which the member Governments gave their support to the work of the Institute and recognized the need to ensure the permanence and continuity of its activities, and bearing in mind also the role which the Institute should play in Latin America in the context of the tasks to be carried out by the United Nations during the Second Development Decade,

Conscious of the different linguistic groups that exist in the area and the need for the Institute's work to be extended to take this into account,

Expressing its appreciation of the important contributions made to the Institute throughout Phase II by the United Nations Development Programme (UNDP) and the Inter-American Development Bank (IDB), which, together with the support of other international, regional and national bodies, have enabled it to broaden and carry forward its activities,

Emphasizing with satisfaction that the work of the Institute, in the form of courses, advisory missions and research, is of great assistance to the Governments in their planning and development activities,

Bearing in mind that this work of the Institute promotes directly and indirectly the formulation of plans, programmes and projects in the countries of the region and thereby facilitates

the important work of co-operation for development -including pre-investment projects- being done by UNDP and other international and regional bodies,

1. Takes note with satisfaction of the resolution adopted by the Governing Council of the Institute and welcomes the recommendations set forth therein with regard to the Director-General's proposals concerning the future activities and financing of the Institute;

2. Urges the Secretary-General of the United Nations to seek to provide to the fullest possible extent for the continuity and permanence of the Institute, ensuring that it will continue its essential activities in Latin America during the Second Development Decade;

3. Recomends the Latin American Governments to continue to give the Institute increasing support and to include its advisory and project activities in their national technical co-operation programmes under UNDP on the request of Governments;

4. Expresses once again its appreciation to UNDP and IDB for the support which they have been giving the Institute and emphasizes the value of the work which the Institute has been doing in co-operation with other bodies in the United Nations family and in the Inter-American system, and with national agencies and universities in and outside Latin American;

5. Requests UNDP to provide the financing required in such a way as to ensure the continued existence of the Institute as envisaged in paragraph 2;

6. Recommends IDB to continue giving the Institute its financial help and support in the same way as in the past, or by finding the requisite methods of financing those of its activities which may be of common interest;

7. Entrusts to the Director-General of the Institute -together with the Chairman of the Governing Council and in co-operation with the Executive Secretary of ECLA- the task of carrying out negotiations with a view to ensuring to the fullest possible extent the success of this resolution.

6 May 1970

RESOLUTION 299 (XIV) ENLARGEMENT OF THE GOVERNING COUNCIL OF THE
LATIN AMERICAN INSTITUTE FOR ECONOMIC AND
SOCIAL PLANNING

The Economic Commission for Latin America,

Bearing in mind that since the Latin American Institute for Economic and Social Planning was established in 1962 the number of countries members of the Commission has increased and that it is necessary to ensure a more equitable geographical distribution of the members of the ILPES Governing Council who are elected by the Commission every two years,

Considering that three of the eleven present members of the Council are appointed by the President of the Inter-American Bank, the Secretary-General of the Organization of American States and the Executive Secretary of the Economic Commission for Latin America, and only eight are nationals of eight different Latin American countries and are elected by the Commission,

Decides to increase to ten the number of members of the Governing Council who are elected every two years at the regular sessions of the Commission, and requests that paragraphs 3 (a), 3 (b) and 3 (c) of resolution 220(AC.52), by virtue of which the Latin American Institute for Economic and Social Planning was established, should be amended accordingly.

159th Meeting
5 May 1971

RESOLUTION 318 (XV) GOVERNING COUNCIL OF THE LATIN AMERICAN INSTITUTE
FOR ECONOMIC AND SOCIAL PLANNING

The Economic Commission for Latin America,

Taking into account that the United Nations Development Programme (UNDP) has been financing the Latin American Institute for Economic and Social Planning, since its establishment in 1962,

Considering that the relationship between UNDP and the Institute transcends the functions of financing,

Considering that UNDP, in its technical assistance activities in the region, is closely linked with the activities of the Institute in that field and that it should have more information about its programme,

Decides:

1. That a representative of UNDP should be a member of the Governing Council of the Institute and that paragraph 3(a) of resolution 220 (AC.52) establishing the Latin American Institute for Economic and Social Planning should be amended accordingly;

2. That the Governing Council shall be composed in the manner and subject to the stipulations stated below:

(a) Fourteen members of recognized technical ability: ten of these members shall be nationals of ten different Latin American countries and shall be elected by ECLA; one member shall be appointed by the President of the Inter-American Development Bank; one shall be appointed by the Secretary-General of the Organization of American States; one member shall represent the United Nations Development Programme and one member shall represent the Secretariat of the Economic Commission for Latin America, as international organizations working in the economic and financial field in Latin America;

(b) In electing the ten members mentioned above, care shall be taken to ensure equitable geographical distribution;

(c) Members of the Governing Council shall be elected or appointed at regular session of ECLA, as provided in paragraph 3(a) of this resolution, for a term of two years, and may be re-elected or re-appointed for successive terms;

(d) The Director-General of the Institute shall be an ex officio member of the Governing Council with the right to participate, without vote, in its deliberations,

(e) The Governing Council shall elect a Chairman from among the ten members mentioned in subparagraph (b) above and shall adopt rules of procedure for its meetings, which shall be held at least once a year.

177th Meeting
29 March 1973

RESOLUTION 319 (XV) GOVERNING COUNCIL OF THE LATIN AMERICAN INSTITUTE
FOR ECONOMIC AND SOCIAL PLANNING

The Economic Commission for Latin America,

Considering that ILPES was set up as a permanent agency under the aegis of ECLA to stimulate planning in Latin America and advise Governments on it,

Taking note of the reports of the Chairman of the Governing Council and of the Executive Secretary of ECLA, who is temporarily discharging the duties of Director-General of ILPES,

Considering that the advisory, research and training services of ILPES are of great utility to the countries of the region, as may be seen from the increased number of requests received from Governments,

Noting the statement made by the Assistant Administrator of UNDP concerning the co-operation given by this organization to UNDP and ILPES and its future prospects,

Bearing in mind the increased needs for these and new types of services resulting from the decisions of Governments to strengthen and improve their systems of planning, internal appraisal, or appraisal in connexion with the International Development Strategy,

Considering that the financial situation of ILPES, far from ensuring its proper operation, is tending to lead to a slowing down which could adversely affect its future efficiency,

1. Welcomes the reports submitted by the Chairman of the Governing Council of ILPES and the Executive Secretary of ECLA;

2. Reiterates its belief in the value of planning systems as the most suitable instrument for co-ordinating development policies and programmes and its conviction that Latin America should have at its disposal the permanent services of a United Nations agency to support and stimulate such activities in the region;

3. Reiterates the content of earlier resolutions which take the view that ILPES should be the agency providing the services mentioned above and that it should therefore be provided with stable and adequate resources to carry out its tasks;

4. Recommends the Governments members of the Commission to increase their contributions in support of ILPES within their budgetary limitations;

5. Recommends the Governments members of the Commission, through their permanent delegations to the United Nations, to give their full support to the Executive Secretary of ECLA in the efforts and initiatives he will have to undertake to obtain from the United Nations the funds necessary to fulfil the objectives described in the foregoing paragraphs;

6. Thanks the United Nations Development Programme for the support it has given ILPES through its regional project and requests it to continue to provide support to complement that of Governments, so that the Institute may enjoy greater stability in the discharge of its functions;

7. Also thanks the Governments of the Netherlands and Canada and some private institutions for their generous support;

8. Invites the Inter-American Development Bank to consider proposals for the financing of ILPES and requests Member States to initiate requests to that end;

9. Requests the Director-General of ILPES to convene a meeting of the Governing Council as soon as possible for the purpose of studying and making recommendations and submitting a report on the following aspects, among others:

(a) The evaluation of the programme of work of ILPES and the establishment of guidelines for the Institution's activities, taking into consideration the tasks it will have to perform in the medium and long term, the appropriate combination of its activities in the provision of direct advisory services, training and research, and its collaboration with ECLA and other agencies,

(b) The making of arrangements to permit continuing participation of the Governing Council in the administration of the Institute and the drawing up of proposals for financing in the light of the considerations expressed in the last preambular paragraph,

(c) Suitable action to stimulate existing co-operation agreements or establish new ones between ILPES and the academic and research institutions of the region which are engaged in activities related to the functions of the Institute,

(d) The adoption of any other measures to ensure the effective operation of ILPES on a suitably stable basis,

(e) The establishment of close working relations between the integration schemes and the Governing Council of the Institute in whatever form may in due course be agreed upon by the Council.

RESOLUTION 340 (AC.66) LATIN AMERICAN INSTITUTE FOR ECONOMIC AND
SOCIAL PLANNING

The Committee of the Whole of the Economic Commission for
Latin America,

Considering that under resolution 220 (AC.52), adopted by the Committee of the Whole of ECLA at its ninth session (June 1962), the Latin America Institute for Economic and Social Planning (ILPES) was established in the form and with the organization which it has retained until the present,

Recognizing that the work done by ILPES has afforded effective assistance to the Governments of many Latin American countries in their efforts to organize planning machinery, prepare development plans and strategies and carry out research and personnel training activities;

Considering that the basic functions of ILPES respond to permanent needs of Latin America in the field of economic and social planning,

Judging that the complexity of the problems and circumstances surrounding the economic and social development of Latin America, as well as those that are apparent in the world as a whole, render it increasingly advisable that ECLA and ILPES should deal with them jointly, with the greatest possible unity of action and along common lines, while maintaining ILPES' own identity,

Recognizing that this unity of action requires a new framework for ILPES' activities and a change in the structure of its administrative authorities,

Bearing in mind that the responsibilities which the Governments wish to assign to ILPES and ECLA jointly are such as to require the establishment of a guiding body to serve as a permanent link with the national agencies responsible for planning in the Latin American countries,

Recalling that the Commission has repeatedly recommended that the United Nations should provide ILPES with stable and sufficient resources to carry out its duties,

Expressing its gratitude to the United Nations Development Programme (UNDP) for its participation in and constant support of ILPES and to the Inter-American Development Bank (IDB) for its contribution to and encouragement of the Institute's activities,

Taking into account resolution 319(XV), adopted by the Commission at its fifteenth session, and the proposals contained in the report of the Governing Council of ILPES submitted to the Committee of the Whole at the present extraordinary session (E/CN.12/AC.66/2),

A

Resolves:

1. To direct that the Latin American Institute for Economic and Social Planning (ILPES), established by resolution 220 (AC.52) of the ninth session of the Committee of the Whole, become a permanent institution of the Commission, with its own identity and responsible directly to the Executive Secretary of ECLA, who shall represent it before the member Governments;
2. To determine that, having regard to the opinions expressed by the Governments in the course of the discussion held by the Committee of the Whole and set forth in Section C.1 of Part I of the report of the present session, the broad objectives and functions of the Institute shall continue to be those indicated in operative paragraph 1 of the said resolution 220 (AC.52);
3. To provide that the Director of ILPES shall be appointed according to the procedure which the Secretary-General of the United Nations may determine, be in charge of directing the activities and operations of the Institute and be responsible for its management to the Executive Secretary of ECLA;
4. To provide also that the Executive Secretary of ECLA may negotiate with Governments or other national and international bodies the contracts or arrangements that may be necessary for the provision of the Institute's services on the understanding that contracts or arrangements with national agencies shall be made with the approval of the Governments concerned;

5. To determine that the Executive Secretary of ECLA, on behalf of the Secretary-General of the United Nations, shall be authorized to accept such contributions to the financing of the Institute's activities from Governments, international agencies, foundations and public and private institutions as may help to finance the Institute's activities in accordance with its aims and purposes and with the guidelines laid down for it by the Governments;

6. To recommend to the Latin American Governments that they request the Administrator and Governing Council of UNDP to continue giving support to the activities of ILPES,

7. To request the Executive Secretary of ECLA to prepare, on behalf of the Governments of Latin America and in consultation with them and with UNDP, a preliminary project of assistance to the activities of ILPES, bearing in mind the guidelines laid down in this resolution, for submission by those Governments to UNDP before the eighteenth session of its Governing Council;

8. To recommend that the member countries should increase their voluntary contributions to the Institute;

9. To address, in addition, to the Governing Council of UNDP a request that the Executive Secretary of ECLA, on behalf of the Secretary-General of the United Nations, be designated executing agent of the ILPES project;

10. To recommend also that UNDP should appoint a liaison officer of the appropriate level to ECLA headquarters.

B

The Committee of the Whole of the Economic Commission for Latin America

Further resolves:

1. To establish, on a provisional basis, a Technical Committee of ILPES consisting of representatives at the appropriate level of the ministries of the countries of the Latin American region having the following functions:

(a) To act as the senior guiding body for the planning activities of ILPES in the fields assigned to it;

(b) To serve as an advisory body for the Executive Secretary of ECLA, with respect to the implementation of the work programmes of ILPES and the evaluation of their results; and

(c) To review and approve the work programmes of ILPES.

2. To thank the distinguished Latin Americans who have served as members of the Governing Council of ILPES in the course of its operations for their valuable contribution to the efficient conduct and guidance of its activities.

New York, 25 January 1974.

RESOLUTION 351 (XVI) FUTURE ACTIVITIES OF THE LATIN AMERICAN
INSTITUTE FOR ECONOMIC AND SOCIAL PLANNING

The Economic Commission for Latin America,

Bearing in mind the Report of the Technical Committee of
ILPES,

Considering that the efforts made by the United Nations
through ILPES in Latin America and the Caribbean are in keeping
with the objectives of the Second United Nations Development
Decade,

Taking into account the fact that the United Nations
Development Programme has enabled the financing of ILPES to be
assured for a further three-year period,

Considering the desirability of ensuring that the necessary
resources are made available for securing continuity in ILPES'
advisory, research and training services to the countries of the
region,

Further considering that it is necessary to achieve closer
relations between the planning bodies of the Latin American and
Caribbean countries with a view to exchanging experience, practising
mutual co-operation, and integrating efforts,

Noting with satisfaction the Report submitted by the
Technical Committee of ILPES,

1. Reaffirms the desirability of using planning as a suitable
tool for speeding up economic and social development and the need
to ensure that ILPES continues its activities in the region and,
as a United Nations body integrated with ECLA, promotes, contributes
to, helps to improve, and supports planning systems;
2. Thanks UNDP for the support which it is giving to ILPES
through the relevant regional project;
3. Urges member countries to make voluntary contributions
to assist in the financing of the Institute;
4. Decides that ILPES should co-operate in the exchange of
experience and research results on global, sectoral and regional (area)
planning between the planning bodies of member countries, so as to
promote collaboration among them.

RESOLUTION 371 (XVII) CREATION OF A SYSTEM OF CO-ORDINATION AND
CO-OPERATION AMONG PLANNING BODIES OF LATIN
AMERICA AND STRENGTHENING OF THE LATIN AMERICA
INSTITUTE FOR ECONOMIC AND SOCIAL PLANNING

The Economic Commission for Latin America,

Considering that the Latin American Institute for Economic and Social Planning (ILPES), originally proposed by CEPAL resolution 199(IX) and established by resolution 220(AC.52) of the Committee of the Whole of CEPAL, has played and continues to play an important role in the development of planning in Latin America, through its basic functions of training, advisory services and research,

Bearing in mind that in view of its effective contribution to the governments of Latin America, it was decided in resolution 340(AC.66) of the Committee of the Whole that ILPES should become a permanent institution with its own identity within the CEPAL system, directly under the Executive Secretary of CEPAL,

Taking into account that CEPAL resolution 351(XVI) provided that ILPES should co-operate in "the exchange of experience and research results on global, sectoral and regional planning between the planning bodies of the member countries, so as to promote collaboration among them".

1. Notes with satisfaction the holding of the First Conference of Ministers and Heads of Planning in Caracas, Venezuela from 13 to 16 April 1977, organized jointly by CEPAL, ILPES and the Government of Venezuela, as well as the report of that Conference and of the Technical Committee of ILPES,

2. Notes in particular the agreement of the Ministers and Heads of Planning to establish a System of Co-ordination and Co-operation among Planning Bodies of Latin America, which constitutes a major advance for regional co-operation and integration,

3. Notes further with satisfaction the existence of sub-regional machinery for bringing together those in charge of planning in the Andean area, Central America and Panama, and that recently initiated within the framework of the Caribbean Development and Co-operation Committee,

4. Concurs that an annual Conference of Ministers and Heads of Planning of Latin American constitutes a necessary and appropriate framework for the exchange of experience, the identification and definition of common actions designed to increase regional co-operation, and the achievement of the objectives proposed at the Caracas Conference,

5. Considers that it would be appropriate for future meetings of the ILPES Technical Committee, established under resolution 340 (AC.66) of the CEPAL Committee of the Whole to orient and evaluate the activities of ILPES, to be held within the framework of the annual Conference of Ministers and Heads of Planning proposed by the Caracas Conference,

6. Resolves that, in fulfilment of its specific functions and in particular of the provisions of operative paragraph 4 of CEPAL resolution 351(XVI), ILPES should assist the Ministers and Heads of Planning of Latin America in their joint co-operation efforts mentioned in numeral 2, Part Three of the report of the Caracas Conference,

7. Reiterates the recommendation previously addressed to the relevant United Nations bodies and authorities to furnish ILPES with stable and sufficient resources to carry out its duties,

8. Urges ILPES to promote the establishment of training centres in relatively less developed countries,

9. Endorses the recommendation made by the Caracas Conference that the temporary budgetary assistance approved by the General Assembly at its thirty-first session be placed on a permanent basis and increased as from January 1978, so far as is necessary to enable CEPAL to carry out, through ILPES, its basic functions related to planning,

10. Fully supports the recommendations of the Conference relating to the financing of ILPES in the short term, requests the Executive Secretary of CEPAL, together with the Chairman of the ILPES Technical Committee, to negotiate with UNDP a six-month extension of Phase Four of the ILPES Project from 30 June 1977, and also requests the countries of the region to make available for that period the voluntary contributions they have offered, so as not to reduce the level of ILPES activities in the countries in that period,

11. Likewise supports the continuation of the work of ILPES in the future, with the co-operation of the countries of the region, and consequently urges the Executive Secretary, together with the Chairman of the ILPES Technical Committee, to negotiate with UNDP Phase Five for ILPES to begin on 1 January 1978, in which connexion it is recalled that the countries of the region must make a collective effort to contribute to the finance of ILPES, as indicated at the Conference of Ministers and Heads of Planning of Latin America, and also requests that administrative formulas be found whereby part of the UNDP regional funds for planning could be channelled through ILPES,

12. Thanks UNDP for the important financial support which it has given to ILPES hitherto; also expresses its gratitude for the contributions made by countries within the region and outside it, particularly the Governments of Canada and the Netherlands, while asking them to continue giving ILPES the greatest possible support, which it urges other member States and relevant international organizations to give if they have not already done so.

7. Requests the Executive Secretary of CEPAL to ensure that the work programme of ILPES for the forthcoming period includes, inter alia:

(a) Assignment of special priority to studies on the situation and evolution of planning in Latin America with a review of the progress made and the obstacles encountered, with a view to facilitating the formulation of lines of action aimed at the improvement of planning as a basic instrument for raising the levels of development of the countries of the region;
