The Economic Commission for Latin America,

Considering that chapter III of the Declaration of the Presidents of America, signed at Punta del Este, 30/ contains specific agreements designed to mobilize the individual and joint efforts of the States members of the Organization of American States so that the export earnings of the Latin American countries may be increased and the adverse effects on Latin American income that may be caused by measures taken by industrialized countries for balance-of-payments reasons may be reduced,

Bearing in mind that the Declaration provides that the Inter-American Committee on the Alliance for Progress and other agencies in the region are to submit to the Inter-American Economic and Social Council for consideration at its next meeting the means, instruments and action programmes for initiating such joint action by States members of the Organization of American States as may be required to ensure effective and timely execution of the agreements approved by the Meeting of American Chiefs of State, and to continue the execution of the agreements contained in the Charter of Punta del Este, 31/ relating to Latin America's foreign trade,

Requests the secretariat of the Commission to prepare specific suggestions concerning measures, instruments and an action programme for implementing the agreements on foreign trade contained in chapter III of the Declaration of the Presidents of America, and to present an information document on the subject at the forthcoming session of the Inter-American Economic and Social Council to be held at Viña del Mar, Chile, in mid-June 1967.
