FIFTH MEETING OF THE ILPES TECHNICAL SUBCOMMITTEE
29-30 November 1982

Document V-ST-6

San Jose, Costa Rica

PRELIMINARY TABLES OF CONTENTS OF THE TECHNICAL STUDIES FOR
THE FOURTH CONFERENCE OF MINISTERS AND HEADS OF PLANNING OF
LATIN AMERICA AND THE CARIBBEAN

Contents:

- Annex I. Planning in Latin America and the Caribbean: 1980-81
- Annex II. Planning and development in the Caribbean area. Background and prospects
- Annex III. Report on participatory planning in Latin America
- Annex IV. Ensuring compatibility between medium-range planning and short-range economic policy.

TABLE OF CONTENTS

	<u>Page</u>	
Chapter	I - INTERNATIONAL SETTING AND CONTEXT AND THE OVERALL SITUATION IN LATIN AMERICA	1
	1. The evolution of the international economy in the period 1980-81	1
	2. The economic evolution of Latin America in the period 1980-81	2
	3. Prospects for 1982	7
Chapter	II - DEVELOPMENT STRATEGIES, PLANNING MODALITIES AND ORGANIZATION IN THE PERIOD 1980-81	9
	A. Development strategies proposed and in effect in the period 1980-81	9
	B. Planning styles and changes in institutional organization	20
	1. Planning modalities	20
	2. Institutional organization of planning	25
Chapter	III - PLANS IN EFFECT AND RESULTS ACHIEVED DURING THE PERIOD 1980-81	34
	A. Content and results of plans formulated and in effect in 1980-81	34
	1. Scope and general content	34
	2. Economic growth and planning goals in the period 1980-81	37
	3. Performance/ ^{of} industry, agriculture and plan goals in the period 1980-81	42
	4. Export performance	45
	5. Employment	48
	6. Social objectives of plans	50
	7. Regional dimension of plans	53
	8. Summary and conclusions	59
Chapter	IV - SHORT-TERM POLICIES IN THE PERIOD 1980-81	91
	A. Economic policies contained in the plans	91
	1. Fiscal policy	92
	2. Monetary policies	95
	3. Foreign trade policies	98

	B. Economic policies applied during the period	
	1980-81	104
	1. Fiscal policy	104
	2. Monetary policies	106
	3. Foreign trade policies	109
	C. Short-term policies and planning	115
	1. Countries without published plans	115
	2. Countries with published plans	117
Chapter	V - SUMMARY AND CONCLUSIONS	120
	1. Advances and setbacks in planning in the period 1980-81	120
	2. Planning and short-term policies in the period 1980-81	125
	3. Planning challenges in the coming years	129

TABLE OF CONTENTS

	<u>Page</u>
I. GLOBAL OVERVIEW OF THE CARIBBEAN ECONOMY IN THE PERIOD 1980-81	1
A. <u>Major features within the world and regional context</u>	1
B. <u>Principal features in the evolution of the countries of the Caribbean</u>	5
II. BASIC BACKGROUND ON THE SUBREGIONAL DEVELOPMENT STRATEGY	12
1. Strategy for the Caribbean countries in the third development decade	12
2. The Caribbean Community in the 1980's. Report by a Group of Caribbean Experts	14
3. Problems, needs and priorities for consideration in planning development assistance for LDC's of the Eastern Caribbean	17
III. PLANNING IN THE FACE OF CHALLENGES TO CARIBBEAN DEVELOPMENT	20
A. <u>Cooperation in planning in the subregion: notes on some projects</u>	20
1. Studies prepared on the occasion of the meetings of planners of the Caribbean	23
a) Survey of National Planning Systems in Latin America and the Caribbean	23
b) How to plan - AFROSIBER - nine-point planning method and its application in development planning	26
c) Six development planning problems in small Caribbean states	28
d) Report on Survey of Training Needs for Planning Officials in the Eastern Caribbean	30
B. <u>Planning challenges and role</u>	32
IV. STATE ACTION AND PLANNING	42
1. General background	42
2. Institutional support for planning	43
V. CENTRAL COURSES OF ACTION	56
A. <u>Suggestions regarding basic elements of development strategy</u>	56
B. <u>Conclusions</u>	63

TABLE OF CONTENTS

	<u>Page</u>
INTRODUCTION	1
A. DISCUSSIONS ON PARTICIPATION	6
1. The concept of participation	6
2. Participation and the different types of political systems	9
a) The awareness of participating actors	9
b) Levels of participation and electoral similarity among modalities of participation and political systems	15
c) Opportunities for participation	17
3. Participation in development and in planning: development styles and planning styles	20
4. Links between planning and participation	23
a) Assumptions and limits of the current planning model	23
b) Dimensions in which planning and participation are linked	26
c) Participation and compensatory planning	27
d) Public sectoral policies	28
e) Decentralized spatial planning	28
B. THE CURRENT STATUS OF PLANNING WITH PARTICIPATION	29
General considerations	29
C. PARTICIPATION IN THE PLANNING PROCESS	40
1. A preliminary issue: participation in the different styles of planning	40
2. Political democracy and social consensus in Latin America	41
3. A necessary judgement regarding the strengthening of society	45
4. Democratization of the Plan: assumptions, modalities and conditions	47
a) Assumptions	47
b) Modalities	48
c) Conditions	49
5. The demands of participatory democratic planning	50
6. Social activation and compensatory planning	52
a) Motivation of the activating agent	53
b) Basic traits of activated groups	54
c) Restrictions and degrees of freedom of collective action	55
d) Degree of pre-existing organization	56
7. Decentralized spatial planning	56
a) Assumptions in territorily decentralized planning	56

b) Participation in prevailing planning models	58
c) The region as a social actor in planning: regional heterogeneity	60

ANNEX I	63
CONCLUSIONS OF THE TECHNICAL SEMINAR ON PARTICIPATORY PLANNING	64
1. Concept of participatory planning	64
2. Objectives of participatory planning	64
3. Mechanisms of participation	65
4. Planning assumptions	66
5. Institutional aspects	67
6. Implementation of participatory plans	69
7. Conflicts inherent in participatory planning	71
8. Evaluation of participatory planning experiences	73
9. Methodological problems of participatory planning	
10. Administrative reforms	74
11. Sociocultural variables	75

TABLE OF CONTENTS

	<u>Page</u>
Chapter I - INTRODUCTION	1
Chapter II - THE PROBLEM OF ENSURING COMPATIBILITY	6
1. General considerations	6
2. Traditional displacements among strategy, the plan and economic policy	10
3. The need for compatibility	16
4. Obstacles to compatibility	19
Chapter III - UTILIZATION OF MACROECONOMIC MODELS IN PROJECTS DESIGNED TO ACHIEVE COMPATIBILITY	23
A. GENERAL ASPECTS	23
1. Macroeconomics and planning	23
2. Achieving compatibility between physical and financial variables: the ideal and the possible	28
B. AN EXPERIENCE OF OVERALL COMPATIBILITY	34
1. Presentation	34
2. Description of the overall planning model used for real macroeconomic projections	37
3. Description of two economic policy options	53
4. Brief analysis of the results of each option	62
C. INTEGRATION OF REAL AND MONETARY-FINANCIAL VARIABLES	85
1. The planning model and the system of National Accounts	85
2. National accounts projected in the two economic policy options	90
3. Description of the Integrated Economic Table (CEI)	95
4. Construction of the CEI for 1981	107
5. Concluding observations	112
D. REAL-FINANCIAL MODEL WITH RELATIVE PRICES	114
1. Introduction	114
2. The Model	118
3. The sector of production and supply	125
4. The sector of spending	130
5. Prices and inflation	133
6. Balance of payments and foreign debt	134
7. The monetary sector	137
8. The fiscal sector	138
9. Analysis of a simulation	143
APPENDIX - Simulation Model	153
